A New Home for Club Information

The [Clubs Website](#) will be moving this summer! Don't worry—you'll still be able to access all of the information on funding and event requests, mandatory requirements, resources, and more.

Where's the new home, you ask? All club information will be located on the [Students' Union website](#). When's the big move, you ask? The website will be changing over at the **end of June**. We will be looking for your feedback throughout this transition, so if you have an opinion on the new site's usability we want to know! [Contact the CSO](#) to share your thoughts.

Out with the old...

...and in with the new!

There are more updates, too! The Clubs Office has been working hard to refresh and re-vamp the Clubs Manual—your go-to guide for funding, services, rights, and responsibilities of SU Registered Clubs. There's also a brand new Start a Club guide you can peruse through that covers benefits of being registered with the SU and how to do it. Lastly, if you're looking to update your club's constitution, we have a guide for that too! See all three in the links below.

- [Clubs Manual](#) (new year, new look!)
- [Start a Club Guide](#)
- [Constitution Writing Guide](#)

We'll continue making improvements and updates to other important materials including funding applications, event requests, the WorkshopSeries, and more. Stay tuned!

#InstaPerfect

We want to showcase your awesome club events online and now we have a new platform to do it. That's right, SU Clubs now has an Instagram ([@SUUofCCLubs](#)) and it's the best thing since sliced bread. We'll share and regram your club posts that have the hashtag #SUClubs, so make sure you're tagging your awesome photos of club events and activities!

Campus Expo 2018

The deadline to RSVP your club's spot in Campus Expo was **June 8**. You will be contacted by a Leadership and Student Engagement staff member to confirm your spot, so keep an eye out on your email! The Campus Expo will be held on the first day of classes (**September 6**) in the TFDL quad, and is the first opportunity for incoming and returning students to learn about campus services and SU Clubs.

Did you miss the deadline, or do you have questions about your table confirmation? Make sure to email your inquiries to eventso@ucalgary.ca.
