Campus Safety Improvements

Whereas, the Student Government Association Senate's mission is to exercise oversight on all University matters of student opinion and concern, and

Whereas, the duty of the Campus Services Committee is to examine campus safety issues and work with Public Safety to improve the safety of the Samford Community, and

Whereas, many of the emergency call stations and devices are outdated and unobvious to students who may need them, and

Whereas, the newest security devices, camera-equipped, blue-light poles, give students the most reassurance of their safety, and

Whereas, student safety is of utmost importance and priority for the university,

BE IT THEREFORE RESOLVED, that the Student Government Association Senate supports the construction of additional blue-light, camera-equipped security stations as well as the renovation and enhancement of older stations and devices to have recognizable blue lights as well as cameras connected to the Department of Public Safety.

Campus Services Committee Chair

Vice President for Senate

Secretary of Senate

2016-2017 SGA President
