Freshens Meal Swipes

Whereas, the Student Government Association Senate’s mission is to exercise oversight on all University matters of student opinion and concern, and

Whereas, the duty of the Campus Services Committee is to examine food service and work with the University Food Service provider (Sodexo) to continually improve the quality of Food Services

Whereas, Freshens has been offering the meal-swipe payment option for all Samford students during the Fall 2016 semester, and

Whereas, as the Fall 2016 semester has proceeded the traffic flow for Freshens has stabilized, and

Whereas, Sodexo and Freshens have shown efficiency improvements such as express options,

Whereas, Freshens is the only possible meal option for CHS students during the day,

Whereas, the total amount of money going to Sodexo/Samford stays the same between meal swipe and dining dollar use, and

Whereas, Freshens gives incentive to prospective students as it expands current dining options,

Whereas, as students who currently reside on campus are required to purchase a meal plan and thus need to be able to use this meal plan while attending classes at CHS, and

Whereas, the meal-swipe option at Freshens encourages upperclassmen who live off campus to still purchase and use a University meal plan,

Whereas, student body opinion as a whole *strongly* supports Sodexo/Freshens continuing to offer the meal-swipe payment option, and

BE IT THEREFORE RESOLVED, that the Student Government Association Senate petition Sodexo and Freshens to continue to offer meal-swipe payment options.
