Introduction

What is a Registered Student Organization?

Groups that register with the Students' Union (SU) are officially recognized student organizations that are eligible to apply for funding and services provided by the SU and other campus organizations including the University of Calgary itself. Known commonly as "clubs," these groups are autonomous, student-run initiatives intended to improve student life and the quality of undergraduate experiences at the U of C.

All Registered Student Organizations must agree to the *Registered Club Agreement* (See [Appendix A](#)).

What is the Students' Union?

The SU is your elected student government (SLC) and administrative staff. We believe that Student Organizations can add value to the student experience. In accordance with this, the SU encourages the formation of sustainable and financially responsible Student Organizations that practice good governance and create an inclusive, respectful, and fun environment for Active Members.

What is Clubs Committee?

The Clubs Committee (CC) is a standing committee composed of elected student representatives from the Students' Legislative Council. They are delegated authority by the SLC to establish principles, strategies, and procedures for how the SU supports and engages registered clubs at the UofC.

The Clubs Committee is chaired by Hilary Jahelka, the [Vice President Student Life](#) (VPSL), and consists of six elected members of the Students' Legislative Council (SLC) appointed every semester. The scope of the committee's authority is outlined in their Terms of Reference, which is [available online](#).

Who is the Coordinator, Student Organizations?

Tanya Bondareva is the Coordinator, Student Organizations (CSO). She is a full-time SU staff member who administers club programs by working with the CC and the VPSL. The CSO is an advocate for SU Clubs and a resource for useful information.

Requirements and Expectations

Club Constitutions

Your club's governing document provides a framework and establishes rules for how your organization operates. These structures and rules help to prevent and resolve conflicts and ensure consistency in how your club will operate over time. It ensures that the club will continue to serve its purpose and function in a way that is fair and accessible for all members, and the CSO will refer club executives to this if questions arise. When writing your club's governing document, follow our how-to guide ([available online](#)).

Registered Club Agreement

Student Organizations that register with the SU to access funding and services must agree to uphold the values and principles of good governance and fair practice in order to retain this status. The Registered Club Agreement (see [Appendix A](#)) must be acknowledged on an annual basis by club executives. Currently, this acknowledgement is done digitally through the online registration process.

Provisional Registration

Missing a [mandatory deadline](#) or violating the terms of registration will result in Provisional Registration (PR). Clubs on PR will have limited access to SU funding and services while the CSO investigates the infraction. This also gives clubs time to collect any necessary information required to meet the terms of registration.

Clubs that receive PR status will have 30 days to come into compliance with the Registered Club Agreement, unless otherwise stated. After 30 days, the club may lose registered status with the Students' Union. Any club that loses their registered status may apply to the CSO to re-register within one year. If a club receives PR status, the CSO will work closely with them to resolve the issue and return the club to full registered status.

Examples of infractions that would result in a 30-day provisional registration status include if a club:

- Does not complete their annual report by the stated deadline;
- Fails to provide necessary information on the annual report;
- Does not meet minimum membership requirements;
- Fails to complete the annual insurance requirement by the stated deadline;
- Fails to send two representatives to September ClubHub 101 or 201 (PR until January);
- Fails to send two representatives to January ClubHub 101 or 201 if September missed (PR until April);
- Violates the terms of use of a space operated by the SU; or,
- Violates their own constitution.

Diversity, Exclusivity, and Advertising Policies

Registered clubs are expected to be nice to each other, to their members, and to the SU. [Appendix B](#) outlines the SU's stance on diversity and respect. See the [Club Member Conduct](#) procedure for more info, and contact the CSO for additional resources. Let's keep clubs fun!

The SU and U of C have exclusivity agreements with **Pepsi** and **Molson** – no competing products may be brought to SU Club events on campus. See the SU's [Acceptable Display](#) and [Advertising](#) policies for advertising info. On-campus promotion of media partnerships and all large banners in MacHall must be approved by the CSO.

Mandatory Requirements to the SU

In addition to adhering to the Registered Club Agreement and their own constitution, the following are required.

ClubHub 101 and 201

ClubHub 101 is a mandatory session held each year in September and January that covers how to access funding and services along with mandatory requirements for remaining registered with the SU. ClubHub 101 sessions are meant for new club execs or those that need a refresher after the summer months. **New for 2017:** In addition to ClubHub 101, **ClubHub 201** will be offered on [select dates](#) for more experienced execs. For both sessions, bring a laptop, tablet, or mobile device to follow along!

All registered clubs **must send two (2) representatives** to either a ClubHub 101 or 201 September session or they will receive PR status until January. New clubs that register after September, or clubs on PR status for missing a session in September, must send two (2) representatives to a January session.

Insurance Deadline

Clubs that register with the SU are covered by the SU's General Liability Insurance for events they register with the Clubs Office. SU Club insurance is **liability only**, and clubs are required to get their own insurance for property damage liability or personal injury, as stated in the *Registered Club Agreement* (See [Appendix A](#)). The cost of the policy depends on the activities you're planning (non-cumulative pricing):

- Alcohol related events, on- or off-campus - **\$50** / year
- Non-alcohol related events, off-campus - **\$25** / year
- Non-alcohol related events, on-campus - **\$0** / year

All clubs must complete an [insurance form](#) annually even if they have private insurance. Without this coverage, club executives would be personally liable for claims arising from bodily injury and property damage liability, personal injury, and medical payments if an incident is to occur during approved club events or activities. Failure to complete the insurance form by the [stated deadline](#) will result in PR status, after which time the club may lose registered status.

Event Approval

In order for the SU's insurance to be effective, the Clubs Office requires two (2) weeks' notice of **all club events**. Failure to disclose details of the activities at these events or failure to report events may result in PR status.

If events involve travel outside the city or potential physical risks, the CSO may create a waiver for participants to sign. Executives of clubs hosting events requiring a waiver must receive waiver training from the CSO, provided on an appointment-only basis. Event approval is completed [online](#).

Annual Report

To retain registered status with the SU, all active clubs must complete an annual report by the [stated deadline](#). Failure to do so will result in PR status, after which time the club may lose registered status. A step-by-step guide is available on our [help page](#). The following details will be required to complete the annual report process:

- Current club constitution ([How-to Guide](#))
- Updated membership list – **Must** include Student ID numbers ([Template](#))

- Income and expenditures record ([Template](#))
- Bank record/statement of account
- Incoming executive list with contact details
- [Co-Curricular Record](#) verification ([Template](#))

Alcohol-Related Events

Before hosting any event where alcohol will be served (by the club or at the venue), clubs must:

- Have paid the \$50.00 insurance fee
- Have 2 members of their executive ProServe certified, present, and sober for the duration of the event

If your club is hosting an event on campus that deals with the consumption or serving of alcohol, remember that the University of Calgary [Alcohol Policy](#) rules and regulations apply.

ProServe

This [AGLC](#) training is offered for **free** for SU Club executives. To register:

- Send the names, personal email addresses, and positions of your execs to: proserve@ucalgary.ca
- Once you receive a registration code, you have **30 days** to complete the course and exam
- Include your ProServe card number on event proposals where prompted

Fraudulent submissions may result in PR status!

Insurance Assessments

If an event involving alcohol consumption is being held off-campus, the venue must be contacted and asked to list the following as additional insurers on their liability insurance policy for the date of the event:

- Your club
- The Students' Union, University of Calgary
- The University of Calgary and the Board of Governors of the University of Calgary

This certificate **must** be submitted with the event request on ClubHub. Please contact the CSO if a venue requires more information or asks to be listed on the SU's insurance policy. This usually takes 3-5 business days.

House parties and/or pub crawls will not be approved or insured by the SU and cannot be official club events!

ClubHub

The main SU Clubs website, su.ucalgary.ca/clubs, details resources available to SU Clubs. Logging in to ClubHub provides access to most of these resources.

SU Clubs access funding, services, risk management, and registration online through ClubHub. Registered clubs will appear on the [clubs list](#). Clubs with PR status may not have full access to ClubHub.

Portals

Every club registered with the SU has their own portal on ClubHub. Clubs may submit requests for funding, spaces, or resources using specific forms in this portal. Club executives should have administrative access to their group's portal. **New for 2017:** Club executives can now use the [Positions](#) feature on ClubHub to assign executive roles and give administrative access automatically.

Accounts

Every individual may create a personal log-in to ClubHub. Generic club accounts are not allowed and may be removed without warning. New executives should be added to club portals by outgoing execs.

Help

The CSO is your best resource for learning about ClubHub. Online resources include step-by-step walkthroughs for submitting forms, adding portal admins, creating events, and completing annual requirements.

For online help with ClubHub, visit: suclubs.orgsync.com/help

Funding

The SU recognizes that clubs enhance and develop student life, and we're happy to offer the opportunity for clubs to receive for small and large events. There is [one request form](#) on ClubHub for **all types** of funding. All requests for funding are subject to availability. More information is [available online](#).

Types of Funding Available

Start-Up	Food & Drink	Special Event	Last-Minute	Post-Evaluations
<ul style="list-style-type: none"> • Up to \$100.00 one-time only • Available within first year of registration • For club admin necessities (not food or drinks) • Examples: Tri-fold display, cash box, membership cards, etc. 	<ul style="list-style-type: none"> • Up to \$150.00 per club year • Available any time between Sept-May • Apply as many times as needed until maximum reached • For food / non-alcoholic drinks at registered club events 	<ul style="list-style-type: none"> • Up to \$1000.00 per semester • Pre-approval required • Specific deadlines to apply for pre-approval (below) • Applications scored by Clubs Committee based on criteria (below) 	<ul style="list-style-type: none"> • Up to \$400.00 per event (with 4+ weeks' notice) • Up to \$200.00 per event (with 2-4 weeks' notice) • Cutoff for notice is Wednesdays at 4:30 pm • Same process and criteria as Special Event Funding 	<ul style="list-style-type: none"> • To receive reimbursement for pre-approved funding (SE & LM), all eligible receipts must be submitted within 30 days of the event. • Reimbursements are processed every two weeks via direct deposit

General Guidelines

The [Student Organizations Funding and Services Procedure](#) details the criteria established by the Clubs Committee for the distribution of funding. General rules include:

- ✓ All funding reimbursement requests require a club bank statement or void cheque showing **branch number, transit number, account number, and club name**
- ✓ All SU funding is reimbursement only
- ✓ All club funding is reimbursed via **direct deposit** made payable to clubs, not individuals
- ✓ All SU funding is **75%** of total budgeted expenses (or the net budget deficit, whichever is less)
- ✓ Special Event and Last Minute funding require pre-approval by Clubs Committee and a post-evaluation for reimbursement
- ✓ Valid receipts are necessary for all reimbursements

To set up a club bank account:

- Contact the CSO for a bank letter
- Specify at least 2 signing authorities
- Make an appointment with your bank (we recommend ATB)
- To change a signing authority, contact the CSO

Deadlines

The Clubs Committee will only consider applications received before 4:30 pm on the respective deadline, no exceptions. **Last-minute** funding has a rolling deadline of 4:30pm on Wednesdays. For **Special Event** funding:

Event Dates	Application Deadline
July 1 - August 31	Second Friday in May
September 1 - January 15	Second Friday in August
January 16 - June 30	Second Friday in November

Special Event & Last-Minute Funding Criteria

To receive pre-approval, include a complete budget (use [this template](#)). An “alternate” budget showing the bare minimum of funding required for the event will also be considered. Clubs Committee evaluates all applications based on the criteria below, to be entered (in paragraphs of around 300 words each) online. The [ClubHub form](#) itself also goes into more detail about funding criteria and how to fill out the application.

Applications will be scored by Clubs Committee based on:

- Quality of the application
- **NEW for 2017:** Fit of event with a Club Awards category
- Benefit of event to club members and campus community
- Impact and accessibility of event
- Alternative funding plans and financial need
- Validity of expenses

Eligible expenses include:

- Food and non-alcoholic beverages
- Advertising and promotions
- Costs associated with the production of the event

Ineligible expenses:

- Alcohol
- Airplane tickets
- Gifts, prizes, or honorariums (including guest speaker accommodations)

Clubs submitting Special Event & Last-Minute funding applications should consider the criteria listed on the [Student Organizations Funding and Services Procedure](#), specifically article 7(1). Validity of expenses is further explained in article 7(4). Remember, **quality** of funding applications is just as important as **content**! Fundraisers or profit events will not be considered for Special Event & Last-Minute funding. The CSO is available to help with funding applications.

Clubs will not receive any money prior to their event. A [Post-Evaluation Form](#) with valid receipts must be submitted **within 30 days** of the club event in order to receive a funding reimbursement.

Quality Money

Although not specifically for clubs, [Quality Money](#) is a unique partnership between the SU and the U of C that allows the campus community to create and implement projects identified as priorities for students. If you're looking to fund a renovation on campus, start a long-term initiative, or just have general ideas for how to improve the U of C campus, apply or check out the [Quality Money Tip Sheet](#) to get started.

SU Travel and Conference Funding

Although not specifically for clubs, the SU's [Travel and Conference Funding](#) is intended to help individuals cover the cost of attending conferences and other off-campus events. To apply, go to the [Students' Union Website](#) and follow the instructions found there.

LSE Student Activities Fund

Although not specifically for clubs, the [Leadership and Student Engagement Office](#) (UofC) offers financial support to student initiatives that promote student engagement. This fund is intended to allow students to participate in experiences that enhance leadership, educational, and professional development goals.

SU Sustainability Fund

Although not specifically for clubs, [Sustainability Fund](#) grants are intended for on-campus projects that work on inspiring, creative, and impactful environmental projects at the U of C.

The Students' Union proudly recognizes outstanding clubs for their contributions to the quality of student life.

Club Awards

Any individual may nominate any club for one or more of the following categories:

Nomination forms and award criteria are available [on ClubHub](#) (forms open in the winter term). Deadlines are posted [above](#). Winning clubs are recognized at the Annual Club Awards Banquet in April. Each award includes a \$250.00 honorarium for the club.

Eric Lahoda Memorial SU Clubs Scholarship

Created in 2008 to honor former student and dedicated club executive Eric Lahoda, this scholarship is made possible through the SU's [Quality Money Program](#). Applicants must:

Other Award Opportunities

Every year your Students' Union supports U of C students through student awards. Student donations through the peer bursary levy lead to over \$1 million in bursaries distributed to deserving students. The SU provides several awards to outstanding students who excel in a variety of areas, including the Laurence Decore Award for Student Leadership (10 x \$1000.00 available annually). Applications and information are [available online](#).

Spaces

Registered Clubs have access to a number of free bookings in the MacEwan Conference and Events Centre (MCEC) and elsewhere in the University of Calgary through Conference and Events Management (CEM).

Clubs Areas

The SU provides two areas for Clubs to use at their convenience. The West Clubs Area (MSC 279, beside the Stör) is where you can find the CSO's office, lounge and powered work spaces, 7 bookable workrooms, 58 club lockers and storage cages, and more. **New for 2017:** The Clubs East Area (MSC 130, behind Jugo Juice) was renovated for September 2017 and includes a boardroom, 135 club lockers and storage cages, as well as meeting and study space. The East Clubs Basement also has two separate entrances, allowing clubs easy access to their club lockers while the SU's Volunteer Tax Program is present.

- Fall/Winter Hours: 8:30am – 10:00pm Monday-Friday, 9:00am – 5:00pm Weekends, Closed Holidays
- Spring/Summer Hours: Subject to change. Check the SU Clubs [website](#) for exact hours.
- Note: The East Clubs Basement space is shared with the SU's Volunteer Tax Program from February to April, during which clubs will be able to access their lockers, but not the common spaces.

Workrooms

These spaces may be booked for up to two hours at a time by Registered SU Clubs using the online form found under the "workrooms" tab on the SU Clubs website [Space Booking page](#). Any abuse of this booking system (i.e. non-club bookings) will result in loss of booking privileges.

Lockers

Club lockers may be reserved for Fall and Winter semesters starting in August using the [Locker Request form](#) on ClubHub. Lockers are assigned on a first-come, first-served basis. No summer storage is provided.

Display Case

Clubs may reserve the Display Case by the West Clubs Area for up to 2 weeks per semester to promote registered events. Rules and request forms are available [on ClubHub](#)! Reservations are first-come, first-served.

MacEwan Student Centre (MSC)

Equipment and A/V

In MSC, Clubs receive free chairs, tables, podiums, whiteboards, LCD projectors, DVD players, televisions, DVD players, microphones, etc. upon request. Large PA equipment is not available through MCEC or the Clubs Office. Additional A/V equipment may be provided in certain spaces by the club at their expense. Programs and Resources

Junior Executive Program

Your club is important to you, so make sure it's around once you've graduated. The SU encourages clubs to plan for the future of their organizations by recruiting **executives in training**. It's up to you how to manage these Jr Execs, but we'll provide help and training along the way. **New for 2017:** If you're looking to be a part of the Jr Exec program but not sure where to start, you can check out some [helpful resources](#) on the SU Clubs website.

Executive Workshops

Join the CSO for interactive round-table discussions on important topics relevant to running your club. **New for 2017:** Workshops are now organized by general topic, and will cycle through the same sessions in the Fall semester and in the Winter semester, so if you miss one in the Fall there's no need to worry. Check out the schedule [online!](#)

Workshops on Demand

Club Member Conduct

[Appendix B](#) defines discrimination and harassment and sets expectations for respectful, diverse, and safe spaces. All students are bound by the [University's Conduct policies](#). Neither the SU nor club executives can interpret or enforce university policies, but by working together we can address any concerns brought to us by club members by directing them to the right resources to help resolve conduct concerns.

If you are being harassed, sexually harassed, or discriminated against, talk to a club executive or the CSO. If a club member tells you about an incident involving another member or at a club event, it is your responsibility to let a club executive know. Executives must inform the CSO if a club member reports misconduct. In either case, take appropriate action immediately to resolve the issue and prevent it from escalating by following these recommendations:

- Keep a record of the misconduct and anyone who may have witnessed it. Write down details.
- If you feel comfortable doing so, communicate your concerns to the offending party. Tell them the behaviour is unwelcome and ask that it stop. This can be done in person or in writing, but it doesn't have to be your first step. If possible, save copies of any communication you send or receive related to the concern.
- **Contact the Coordinator, Student Organizations** (clubsoff@ucalgary.ca or 403-220-2233). They will help direct you to the appropriate resource.
- Clubs should not mediate or adjudicate conflict on their own. Alleged student misconduct (including violations of the Student Non-Academic Misconduct Policy, Sexual Violence Policy, or Harassment Policy) should **always** be referred to the Student Conduct Office via the CSO for resolution.
- The CSO may recommend contacting **on-campus resources**, including:
 - [Campus Security / Safewalk](mailto:safewalk.request@ucalgary.ca) (safewalk.request@ucalgary.ca or 403-220-5333)
 - The University's Student Conduct Office (conduct@ucalgary.ca or 403-210-3868)
 - The University's [Office of Diversity, Equity, and Protected Disclosure](#) (403-220-4086)
 - The University's [SU Wellness Centre](#) (403-210-9355)
 - The University's Sexual Violence Support Advocate (403-220-2208)
 - The University's [Women's Resource Centre](#) (403-220-8551)
 - The [Distress Centre](#) (off-campus resource) (403-266-4357)
 - The [Calgary Sexual Assault Response Team](#) (off-campus resource)

It is the club executive's responsibility to ensure that all club members (student and non-student) are aware of the University of Calgary Sexual Violence, Harassment, and Student Non-Academic Misconduct Policies. If, at any point, a member is the subject of an investigation related to a complaint under one of these policies, the Student Conduct Office may recommend that their attendance at club meetings or events may be restricted until the matter is resolved.

Appendix B: Diversity, Equity, and Safe Spaces

The Students' Union values all students and is committed to providing them with a positive environment for all aspects of the student experience, including club participation. Discrimination and harassment are prohibited by law and by university policy and will not be tolerated. Any behaviour that threatens a fellow club member's dignity and worth is unacceptable. It is everyone's responsibility not to harass others and contribute to a harmonious atmosphere in the clubs area.

Discrimination

Whether intentional or unintentional, discrimination is unfair, differential treatment of individuals and groups based on prejudice, stereotypes, ignorance, and fear, for which there is no bona fide or reasonable justification and which imposes burdens, obligations, or disadvantages on individuals or groups. All clubs must acknowledge the following membership disclaimer in their constitution:

You may not restrict membership based on a group characteristic such as age, ancestry, colour, family status, marital status, physical or mental ability, place of origin, political belief, race, ethnicity, religion, sex, gender identity or expression, or sexual or romantic orientation, unless it can be proven to the reasonable satisfaction of the Clubs Committee that the membership restriction is intended to protect members of a group who share the same protected characteristics.

Harassment

Harassment is a form of discrimination which involves unsolicited and unwelcome attention from a person who knows or reasonably ought to know that such behaviour is unwelcome. Such unwelcome comment or conduct is intimidating, threatening, demeaning, or abusive and may be accompanied by direct or implied threats to grades, status or job. Harassment has the impact of effect of creating a hostile or poisoned work or study environment and limits individuals in their pursuit of education, research or work goals. Harassment can be discriminatory, sexual or personal in nature.

Consistent with the [Alberta Human Rights, Citizenship and Multiculturalism Act](#), the University of Calgary prohibits discrimination and harassment on the following grounds: race, religious beliefs (including native spirituality), colour, gender, gender expression, physical or mental disability, age, marital status, family status, ancestry, place of origin, source of income, sexual orientation or political beliefs.
