

Student Services & Resources

Office of Student Affairs

5 Metrotech Center, LC240
(646) 997-3918

The Office of Student Affairs supports the School of Engineering's academic mission by enhancing students' education through a range of programs that build intrapersonal, professional, emotional, and other essential life skills. We work in partnership with academic, support, and service departments to tailor our activities to students' needs. Our programs address emerging issues and foster community building.

NYU Tandon Brooklyn Athletic Facility

6 Metrotech Center
(646) 997-4036

Offering a variety of services including intramurals, club sports, and varsity teams, the Department of Athletics aims to promote the success of all NYU Tandon School of Engineering students.

NYU Wasserman Center for Career Development | Brooklyn

Wunsch Hall
career.development@nyu.edu
(646) 997-5986

The Wasserman Center for Career Development at the School of Engineering works with students and companies to create mutually-beneficial work experiences- from internships to full-time positions.

Counseling and Wellness Center

6 Metrotech Center, B020
wellness.exchange@nyu.edu
(646) 997-3456
