Calgary Dance Marathon is an awesome event in support of the Alberta Children's Hospital Foundation and Children's Miracle Network. It is a 10 hour event featuring DJs, dance groups, singers and food! Each hour will be a fun theme, such as Disney hour, Oppa Gangnam Style Hour and Rave Hour. We have awesome raffle prizes and free food!! You don't have to know how to dance to join! All of the proceeds go towards the highest needs of the hospital, including brain health, childhood cancer and family centered care.

Admission includes snacks, swag, DJ's, performances, dance classes, henna art, games and contests, and awesome raffle prizes! Also, meet Payton, the Champion Child from the Hospital and the Foundation's CEO! We strongly encourage participants to raise \$100 to help us reach our fundraising goal of \$10 000.
