

Barnsdall JOM Meeting minutes from 2-16-2022

Meeting call to order at 5:30PM

We are thinking there are like 12 seniors, will get a more accurate count from the school and cross-ref with Avis. We would like to try for a tribal print blanket as a gift VS a \$100.00 gift card. Will go to the Osage Trading Post and see about pricing and discount for bulk order.

Discussed reimbursements. Handed out several forms to Stacy Mead (School employee) that will help us with getting these forms to the graduating seniors for cap and gown reimbursements.

Faith Allison was NOT in attendance at the meeting but asked President Amber Price to please notify everyone her request to step down from VP. Asked if anyone would like to volunteer as a replacement. Melissa Pearson said she would like too. Erin Hearn nominated Melissa Pearson for VP, it was seconded by Stacy Mead.

No one was impressed with the school supplies. Would like to investigate other options for more accurate and better quality supplies. Stacy Mead who works at the high school said they always have an ABUNDANCE left over and have to store. And some of the teachers don't let the kids know till the first day of class, special things that are needed for the school year. Talked about maybe just using a reimbursement option of like \$50.00 on school supplies. We will discuss more at the next meeting.

Talked about the Summer Youth Employment Program that will be starting April 1 for those students 16 and older. Barnsdall should have several work sites available.

Appears we currently have around \$6900.00 in funds. Scheduled the next meeting for March 2nd 2022.

Meeting ended at 6:00pm.
