

Skiatook JOM Meeting Minutes for 10/28/19

- Call to order 6:25pm
- Special Meeting
- Skiatook JOM committee introductions
- As the new committee we realize that we are a young committee. We were only voted into our positions January 2019. We intend to let the parents and students know that we are here for the students and want to support their cultural needs as well as educational needs. We want to make our students and parents aware of the events we are doing as well as the Osage nation. As Skiatook's new JOM committee, it is important that you know you are being heard. We want your input, we want you to know as parents that you and your students have a voice and that it is valued.
- If you cannot attend 2 meetings we will also allow event participation to count as a credit for reimbursements. There is a two meeting requirement to receive a reimbursement.
- We are having a Culture night with JOM Nov 19th. We will be teaching our parents and students how to make women's long beads and men's bandoliers. We have sign in sheets here but we will also advertise this on the JOM Facebook page. You can sign up for the class that way by messenger. Just state that you would like to be in the Skiatook culture night class and I will make sure you have a place saved for your student.
- Any time that there is a scholarship night or an opportunity to be involved in any internship opportunities we will make sure to share it to the JOM Facebook page.
- Motion made by Mary Hammer to authorize the purchase of cultural class materials from Crazy Crow for the discussed amount. Motion seconded by Andrea Kemohah.
- Motion made by Teresa Hight to serve food at the cultural night class. Motion seconded by Mary Hammer.

The next regular Skiatook JOM meeting will be on November 13th at 6pm in the breakfast nook.
