
HONOR CORD AWARD

The Osage Nation is proud of members who complete the milestone of graduating high school. For this reason, we offer an honor cord to Osage students who will be participating in commencement ceremonies after the successful completion of high school.

Students who earn a high school diploma at a public, private, or home-school institution and plan to participate in a commencement ceremony may apply for a cord. To qualify, the applicant must be an enrolled member of the Osage Nation and eligible to graduate in the current term. Students must also complete and submit an Honor Cord Award application at least six (6) weeks prior to the date of commencement ceremonies.

Upon receipt of the application, the education department will ship an honor cord to the eligible graduate at the mailing address provided. Only one cord will be mailed out to each applicant three (3) weeks prior to the graduation date. The recipient will receive an email with a USPS tracking number for the package, once it is mailed.
