

Privacy Statement:

1. Description of the processing operation.

The initial data that is gathered will be pseudonymous. It will be linked to you through your Prolific ID, and hence will potentially allow for re-identification of you or your personal data. This pseudonymous data will be kept under password protection by the sole investigator. It will be stored on servers inside the European Union. As soon as payments are made, the Prolific IDs will be deleted from the dataset, making the data anonymous since it will not be possible to use it to identify you. Once the data is anonymised it is no longer considered personal data.

2. What personal information do we collect, for what purpose(s), and through which technical means?

Data will be collected on your decisions and performance in this study. Data will also be taken from the basic demographic information which you have already provided to Prolific: age, sex, ethnicity, first language, current country of residence, nationality, country of birth, education attainment, employment status. The purpose of the data-gathering is for academic research only.

3. Who has access to your information and to whom is it disclosed?

Only the Data Controller (researcher), Jonathan Winter, will have access to your personal data (i.e. the data including the Prolific IDs). It will be kept under password protection. Once the data is made anonymous by deleting the Prolific IDs, it will be made available for general use by researchers or other interested parties.

4. How do we protect and safeguard your information?

During the 14 days before the data is anonymized, it will be kept on EUI OneDrive folder, the servers of which are based within the EU, and will be protected by password. Only the Data Controller will have access to this data.

5. How long do we keep your data?

Your personal data will be kept for up to 14 days to allow for payment via Prolific before it is anonymised.

6. How can you verify, modify or delete your information?

If you wish to verify which personal data are stored by the responsible Data Controller, or access, correct or delete your personal data stored at the EUI, please contact the Data Controller at Jonathan.winter@eui.eu. You will receive a reply within 30 working days of receipt of the request.

Remarks concerning this privacy statement can be addressed to data_protection_officer@eui.eu.

7. Right of recourse

If you consider that your rights under EUI President's Decision 10/2019 have been infringed as a result of the processing of your personal data by the EUI, you have the right to request a review according to Article 27 of the aforementioned decision. Such requests may be addressed to the Data Controller Jonathan Winter at jonathan.winter@eui.eu, to the Ethics Committee at ethics@eui.eu, or the EUI's data protection officer at data_protection_officer@eui.eu.
