

The service and relationships you expect from a local company. The stability and buying power of a large corporation.

A PROUD SUBSIDIARY OF ONE OF THE NATION'S LEADING DRYWALL SUPPLIERS.

Ohio Valley Supply is proud to be a local company. It means we are hungry for your business and we'll work hard to keep it. As part of the GMS network of companies, we can deliver even more of what you need. Like nationwide relationships. And manufacturers allowing us to leverage our buying power to deliver an unrivaled selection of products and availability so you have everything you need – from ceiling tiles to fasteners – when you need them. Plus, with the financial backing of GMS, you get the stability you expect in a partner, so you know we'll always be here to support you.
