WELCOME TO *THE HUSBAND PROJECT!*

We are so excited to offer you this free resource as a part of your journey through *The Husband Project* book and our online Bible study!

Here's how this journal is set up:

The first section of this journal is for you to take notes from the weekly videos we have for you on the blog.

In the second section we have created a 21-day journal for *The Husband Project*.

Each day you'll decide which project you are going to do. Write that in the space titled, "Today's Project." At the end of the day, write a few thoughts down in the "Project Progress" section. You'll want to include things like his reaction to the project, how you felt after completing the project, and any changes in your relationship atmosphere.

You'll also see a section titled "My 5 for My Guy." This is the place for you to write down five things you are grateful for about your husband, every day!

You'll see marriage quotes and Bible verses sprinkled throughout the journal to help inspire and encourage your marriage! And before you begin, we've left a space for you to write a specific prayer for your marriage.

I'm cheering for your marriage, and we hope this will be a valuable tool for your journey!

Much love,

Melissa Taylor
