Instructions on how to use the transcript feature on YouTube.

Desktop/Tablet YouTube Transcript Instructions:

(Not available on mobile)

- Click the video link you wish to view.
- Once you've opened the video on YouTube, below it, you'll see a toolbar with the following: Like, Dislike, Share, a plus sign icon, and an icon that has three little horizontal dots.
- Click on the 3 dots icon and a drop down menu will open.
- Click on "Open Transcript" in the drop down menu and you will see the transcript for the video appear on the right side of the screen.

Note: with this feature, you can scroll to read the entire video script at your own leisure or follow along with the video as it plays. Or, to have a tangible copy of the transcript, to take personal notes or highlight on, you may copy and paste into a blank document and save/print.
