Greetings Academic Colleagues,

It is our pleasure to cordially invite you to the Montana Academy of Physician Assistants' 2026 Annual CME Conference and Membership Meeting in Missoula, MT, April 22-24. This conference is offered with generous support from the University of Montana Physician Assistant/Associate Program.

MTAPA is a non-profit professional organization serving PAs across Montana.

We believe that it is incredibly important for MTAPA to be aligned with the issues affecting PA programs and PA-Students across our great state and we want you to be involved in MTAPA.

Therefore, we are inviting you to attend the MTAPA conference for FREE if you are a current or new MTAPA member and are a full-time faculty member in one of Montana's PA programs. Please help us by informing the Faculty and PA-Students in your teaching institution about this conference. Cost for PA-Students to attend: \$50 (includes student MTAPA membership).

We are offering:

- Free conference registration for all full-time faculty who are MTAPA members.
- All attendees are eligible to receive credit for all CME activities.
- We kindly ask that attending faculty submit a proposal to present on any CME topic
  - CME lecture may be team-taught
  - Submitting for a presentation is not required to attend
  - \$200 honorarium offered for each 1-hour presentation
- Includes a marketing table for your institution
  - Inform attendees about your program
  - Recruit for student clinical sites
  - Recruit new faculty

Best Regards,

MTAPA Conference Committee:
