We invite you to visit [Pulmonary and Sleep Academy's website](#), your gateway to online self-paced CME courses directed to advanced practitioners caring for patients with pulmonary and sleep-related disorders. Our curriculum covers underlying basic pathophysiology, the diagnostic evaluation and the longitudinal management of patients with pulmonary and sleep disorders.

- PSA is the only comprehensive, on-line course offered by recognized physician experts in pulmonary and sleep medicine directed at advanced practitioners.
- PSA will quickly expand your knowledge of the underlying principles of pulmonary and sleep medicine giving you the confidence to step up your practice of pulmonary and sleep medicine to that of a seasoned practitioner.
- Sleep Academy offers 15 hours of AAPA Category 1 CME credit hours for advanced practitioners.
- Pulmonary Academy offers 17 hours of *AMA PRA Category 1 Credit™* to advanced practitioners.
