He has served as a Battalion Surgeon for the Military Police, Division Surgeon for a NATO Peacekeeping Division (post 9/11), and as the Chief Medical Officer for Immigrations Customs Enforcement.

& UNE Students

2:45 P.M. Common Pediatric Conditions

Matthew Hand, DO graduated from the Midwestern University-Chicago College of Osteopathic Medicine in 1989. He works in Manchester, NH and 5 other locations and specializes in Internal Medicine/Pediatrics and Nephrology. Dr. Hand is affiliated with Elliot Hospital.

3:45 P.M. Program ends

3:50 P.M. NHOA Board meeting

This program is geared toward physicians and physician assistants but should also be of significant interest to nurse practitioners, nurses, and others working in the physician's office.

The New Hampshire Osteopathic Association and AOA Council on Continuing Medical Education approved this program for 6 hours of AOA Category 1-A CME credits. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Thank you to our program chairs:

Frank Hubbell, DO
Mark Pace, DO
Pierre Angier, DO
Linda Martino, PA-C
