2019 PA DAY ON THE HILL

On February 13th, UAPA participated in the 3rd annual "PA Day on the Hill". This event was held in the capitol rotunda and involved students, community PAs, and partner organizations advocating for PA practice in the state of Utah. There are over 1500 licensed PAs currently practicing in Utah, and they perform an estimated 5.8 million patient care visits a year. This event was an opportunity for advocacy and engagement with legislators. Over 100 PA students were in attendance, having contacted constituent representatives ahead of time. Messages were hand written and delivered to legislators on the house and senate floor, and several came out to discuss pending PA legislation.
