

Dear Mount Community,

Mount St. Mary's is bursting with activity as we welcomed 510 first-year students to campus for the start of the 2014-15 academic year—the second-largest class in University history!

The energy you feel walking on campus is at an all-time high. From the Terrace to the ARCC and the athletic fields, from the Grotto to Phillips Library, the Mount community is engaged in our mission to educate students in the service of

truth – cultivating a community of learners formed by faith, engaged in discovery, and empowered for leadership in the Church, the professions, and the world.

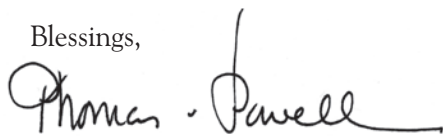

You have joined generations of alumni, parents and friends, who continually step forward each year and support the University through the Mount Annual Fund. Together, our gifts provide the resources needed to move the Mount's top priorities forward:

- Providing financial aid and scholarships for our energetic students; 96% of our students receive financial assistance.
- Supporting our world-class faculty with the resources needed to encourage our innovative scholars to create bold new academic programs, such as the Master of Health Administration, Bachelor of Health Services, the Master of Science in Biotechnology and Management, and the acquisition of a nuclear magnetic resonance spectrometer.
- Exciting new residential options, including the Cottages at Alumni Court.
- General operating funds providing cutting-edge library and technology support

Simply put, we can't do this without you. We are the Mount, and the modern-day keeper of the vision of faith and courage expressed by our founder Fr. John DuBois.

As a small token of our appreciation, please enjoy this 2015 calendar showcasing the Mount past and present. Thank you for your continued investment in the Mount.

Blessings,

Thomas H. Powell
President

Dear Friends,

As the Mount Annual Fund Co-Chairs, we would like to congratulate the classes who won the Class Flags for this year: the Class of 1954 for the Highest Class Participation with 78% and the Class of 1953 with the Largest Class Gift with more than \$400,000. The Class Flags are displayed in Patriot Hall and outside of the President's Office.

We'd also like to thank all of you who helped us reach 24% alumni participation and \$2.5 million raised for the Mount Annual Fund. This year we hope you'll join us in meeting our goal of \$2.1 million raised for the Mount Annual Fund and 26% alumni participation.

Thanks to your participation, we are tied for #1 in our region for alumni participation! Let's join together and make it happen again next year!

We live, learn and continue to develop, just as our students are doing now through faith, discovery, leadership and community. You make it possible for the Mount family to continue enjoying this beautiful campus for years to come. Thank you!

Best wishes,

Pat Goles Kelly Catania Rob Weed

SOURCES OF OPERATING REVENUE

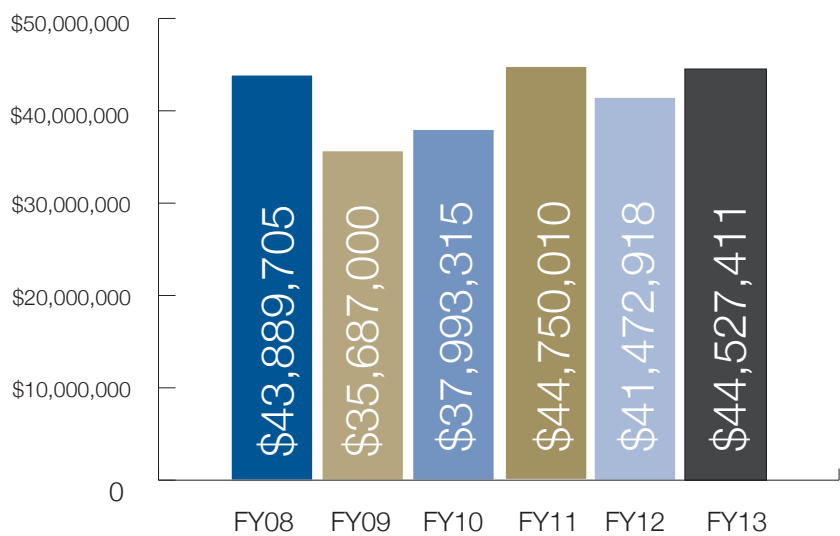

DISTRIBUTION OF OPERATING EXPENSES

ENDOWMENT TARGET ALLOCATION

ENDOWMENT GROWTH

Endowment
An endowment is a fund whose principal is usually held in perpetuity. On an annual basis, a portion of the annual earnings are then spent in the support of the institution, but usually restricted to a general or specific program/purpose such as funding professorships, academic scholarships, supporting a department, support of the annual operating budget, etc. Every dollar is critical to the support of Mount programs because it substitutes for a dollar that is currently funded by tuition and fees.
