WELCOME TO BREVARD COUNTY

We're serious business, but also plenty of fun

FLORIDA TODAY STAFF

Brevard County has a treasure trove of activities awaiting you. The FLORIDA TODAY Fact Book is the place to discover them.

One of the most celebrated attractions for tourists and residents alike is the Kennedy Space Center Visitors Complex's \$100 million attraction, Space Shuttle Atlantis.

Back down to Earth, our 72-mile long county offers endless opportunities for nature lovers. From strolling along our ample beaches and kayaking lagoons, to fishing our rivers and enjoying picnics in public parks, nature lovers will find an endless source of appeal.

Those loving the arts and entertainment will find an unending array of activities. Theater patrons frequently rave about the six community theaters here.

Visual artists abound here and regularly exhibit in area galleries; dance companies

perform throughout the year.

Port Canaveral is the world's second-busiest cruise port, trailing only the Port of Miami, in cruise passenger volume. Brevard County's seaport is the home port of Carnival, Disney, Norwegian and Royal Caribbean cruise ships.

The port also is growing its cargo business.

And it is the home to Jetty Park, Exploration Tower, and the Cove restaurant and retail district.

The Brevard Zoo in Melbourne was part of TripAdvisor's 2015 Travelers' Choice Awards after users ranked it as the nation's 14th-best zoo.

Florida Tech runs the county's two fine art museums and curates vivid, exciting exhibitions.

Musical concerts range from country to classic, from amateur to world renown, and are held in venues from 300 to 2,000 seats.

Want to discover a club or charitable organization to broaden your interests?

Or maybe how to contact your elected official or find your nearest public school?

This is where to look, and it will remind you why you love living in Brevard.

Why

ARE WE DIFFERENT?

Because we are the **ONLY** Retirement Community in Brevard County licensed to offer you a **TRUE** continuum of care.

"Baby Boomers like us, are now retiring at a rate of 60,000/ day for the next 10+ years and are looking for a good quality retirement community. Why we selected Buena Vida Estates... because of the sound of laughter coming from the residents and staff and endless smiles. We felt like we had found a home. It feels like we are on a cruise ship without getting seasick—meaning many activities, live entertainment, a bistro bar, wonderful food selection, several dining arrangements, a heated pool, housekeeping and good security. We like the idea that we can just turn the key to our apartment and leave to travel. If you want to remain 'young at heart' Buena Vida Estates will certainly make that possible!" —Jim & Sandy

LIFE IN BREVARD

Marriage and divorce

To apply for a marriage license or divorce in Brevard County, applicants must go to a Brevard County Clerk of the Circuit Court office between 8 a.m. and 5 p.m. weekdays. For information, call 321-637-5413 (option 3) or check the website at brevardclerk.us.

OFFICES ARE AT:

Melbourne: 51 S. Nieman Ave., Melbourne Branch Courthouse

Merritt Island: 2575 N. Courtenay Parkway, Room 129, Merritt Island Complex

Palm Bay: 450 Cogan Drive SE, County Service Complex

Titusville: 400 South St.

Viera: 2825 Judge Fran Jamieson Way, first floor, Moore Justice Center

Valid photo identification, such as a driver's license, must be presented. Both applicants must provide Social Security numbers. If previously married, you must know the date when the previous marriage ended.

For a marriage license, both applicants must apply together in person.

Filling out an online application at <http://web1.brevardclerk.us/oscar/cform.aspx> can expedite the

application process. Save the application number it provides and bring it to the clerk.

To obtain a marriage license without parental consent, both applicants must be at least 18 years of age. The age restriction does not apply for individuals who have been married previously or can prove they are parents or expectant parents.

A marriage license application fee of \$93.50 can be reduced to \$61 if both parties submit a certificate of completion of an approved premarital preparation course. If the ceremony is performed at the clerk's office, an extra \$30 is charged.

Certified copies of marriage licenses are available for \$3 each.

In most cases, there is a three-day waiting period for Florida residents. If the bride and groom are residents of Florida and both took the premarital course and submitted a certificate of completion, there is no waiting period. A hardship may be declared to avoid the waiting period. There is no waiting period for nonresidents.

The Clerk of the Court office can provide information on how to obtain paperwork needed to file for a divorce.

Florida driver's licenses must be obtained within 10 days of establishing residency. A replacement license is required at a cost of \$25 within 10 days of changing a name or address. New residents who have a valid out-of-state license will be required to take the vision examination.

Visit gathergoget.com or flhsmv.gov to view the documentation required to get a driver's license.

The license costs \$48 for six years. Commercial driver's licenses cost \$75. On-time renewals are \$48 for Class E.

CDL on-time renewals are \$48. Endorsement fees are \$7 each.

To obtain a driver's license, all first-time drivers must attend a four-hour substance-abuse course, which may be part of the curriculum in high school driver's education courses, where applicable.

Two forms of legal identification also are required. Applicants must take a written examination and have a vision screening.

Learner's permits are available for 15-year-olds. Minors must hold the learner's permit for at least one year before converting to a regular license.

After age 18, one need not hold the learner's permit for a minimum amount of time.

Holders of learner's permits must log at least 50 hours of driving and be accompanied by an adult at least 21 years old. At least 10 of those hours must be at night. Other restrictions apply to drivers younger than 18. A parent or legal guardian must sign a parental consent form.

A nondriver identification card can be obtained for those who do not drive and require legal identification. Two legal forms of identification are required to obtain an ID card. Cost is \$25 for an original and \$25 for a duplicate or renewal. The ID cards can be obtained at age 5.

HOMESTEAD TAX EXEMPTION

Eligible Florida residents may apply for the homestead exemption of \$50,000 on or before March 1 of the year they seek the exemption. Applications are taken year-round at Brevard County property appraiser's offices.

Residents 65 or older may apply for exemptions up to an additional \$50,000. For qualifications, go to bcpa.us.

Exemptions also are available for widows, widowers, the disabled and veterans.

To apply for a homestead exemption, you need the following documents for all owners living on the property:

- » Florida driver's license or Florida ID card if you do not drive
- » Florida vehicle registration
- » Florida voter's registration
- » If not a U.S. citizen, a Permanent Resident Alien Card
- » Social Security card or other official document that includes your Social Security number
- » Copy of recorded deed or tax bill
- » Copy of trust agreement if one exists

LIFE IN BREVARD

Hooking up utilities

Basic things you need to know about utilities and fees when you move to Brevard County.

ELECTRICITY

Florida Power & Light Co. customers are required to secure their accounts with a deposit. An initial service charge is included on the first bill.

To start electric service, you will need to provide your social security number, driver's license number or social insurance number. If any of these is not available, you still can submit an order but will need to fax in another form of verifiable ID.

A certificate of occupancy following an electrical inspection is required for first-time service for a new home.

To receive FPL service, call anytime at 321-723-7795 or visit fpl.com.

GAS

Florida City Gas supplies natural gas to most of Brevard. The company requires a deposit that varies according to the amount of monthly gas usage.

The meter deposit is refunded with interest after service establishment fee is required 12 months to custom-

ers with good payment records. A \$50 start-up fee is required.

Gas service, 800-993-7546; new homes, 800-599-3770; flordacitygas.com.

TELEPHONE

You can call AT&T at 888-757-6500 from 8 a.m. to 7 p.m. Monday through Friday and 8 a.m. to 5 p.m. Saturday to set up residential service.

You can call 866-620-6000 from 8 a.m. to 6 p.m. Monday through Friday for business service. If calling from out of state or via cell phone, call 800-753-2909. A deposit amount is determined by the customer's credit report.

Customers must give their name, address and Social Security number.

Spectrum telephone service is used by 250,000 customers in Central Florida. For information on setting up an account, call 1-866-435-6585 or visit one of four Brevard locations: 728 Cheney Highway, Titusville, 321-631-3707; 210 Center St., Cape Canaveral, 321-254-3300; 720 Magnolia Ave., Melbourne, 321-254-3300; or 1575 Palm Bay Road NE, Palm Bay, 321-254-3300.

LIFE IN BREVARD

Palm Bay: The city provides water and sewer service through its utilities department. Residents pay \$100 deposit for water, \$100 for sewer and a nonrefundable administrative fee of \$18.21. For an additional \$5, the city will perform a credit check. If a renter's credit check is favorable, the renter will only be responsible for half the deposit. If an owner's credit check is favorable, the deposit may be waived. A \$68.80 charge applies for same-day service. After three years of excellent credit, water and sewer deposits can be refunded. City Hall, 120 Malabar Road SE, 321-952-3420; palmbayflorida.org.

Titusville: Deposit amounts vary based on meter size, services available to the property and prior utility credit history. Titusville City Hall, 555 Washington Ave., 321-383-5791; titusville.com.

West Melbourne: A \$100 deposit is required to establish service and a nonrefundable \$30 service fee will be added to your first bill. After five years, the deposit is refunded. Trash collection billing included in water-sewer bill. Deposit is refunded when service is disconnected. West Melbourne City Hall, 2240 Minton Road, 321-727-7700; westmelbourne.org.

TRASH COLLECTION AND RECYCLING

Waste Management provides trash collection in Brevard, excluding Rockledge and Titusville, where the cities provide service. Curbside service pick-up times and disposal options vary across Brevard.

For information about trash collection in Rockledge, call the Public Works Department, 321-690-3961; for Titusville, 321-383-5755; for all other parts of the county, 321-636-6894.

Brevard County Solid Waste Management provides a recycling hot line to answer questions about how and where to dispose of specific items. Call 321-633-2042 or visit brevardcounty.us/swr/ to download the recycling directory.

Brevard County residents with curbside service can request a recycling bin. In Rockledge, 321-690-3961; Titusville, 321-383-5755. For all other parts of the county, 321-636-6894 or 321-723-4455. Bins must be placed by the curb before 6 a.m.

The Reusable Resources Adventure Center accepts items such as paper, wood, fabric and plastic to recycle into children's art projects. Call 321-729-0100 or visit reusecenterbrevard.org.

LIFE IN BREVARD

WEATHER

Hurricanes, lightning keep area on alert

FLORIDA TODAY STAFF

As blizzards blast the northern states, Floridians can count on mostly mild winters, along with tempestuous summers and the occasional hurricane.

They are all a part of the daily drama we call Florida weather. Much of it is pleasant, with average winter highs in Melbourne in the low 70s and lows about 50; in the summer, expect your low 70s at night and temperatures around 90 during the day.

In fact, Brevard is coming off its fourth-warmest winter in history.

The dry season of late fall through early spring may increase the danger of fire, while summer monthly rain totals range from almost 6 to well over 7 inches from June through September, according to the National Weather Service.

Those totals can be enhanced by tropical storms and hurricanes. Of hurricanes that have affected the United States, 40 percent hit Florida, which gets the most of any state — 115 landfalls from 1851 to 2016.

The 2016 hurricane season was above average in the Atlantic basin, with 15 named

storms, seven hurricanes and four major hurricanes, the most notable being Hurricane Matthew in early October. But Matthew weakened significantly (from a Category 4 to a Category 1 storm) before passing Brevard, sparing the county from what could have been much worse damages.

A Category 1 hurricane has sustained wind speeds of 74 to 95 mph. A catastrophic Category 5 tops 155 mph. In any hurricane, it is wise to evacuate trailers and manufactured homes, and residents of the barrier islands may be ordered to leave.

The country's lightning capital, Florida leads the states in lightning deaths and injuries. If you hear thunder, you can be struck. Get into a building or an enclosed metal car, and stay off corded phones and away from plumbing. Open structures such as picnic pavilions aren't safe.

Florida has a large number of tornadoes and waterspouts; rare Central Florida tornado events have been deadly. Stay informed by buying a weather radio, which picks up National Weather Service forecasts and sounds an alert tone when watches and warnings are issued.

Animals and pets

REGULATIONS

Brevard County requires all dogs and cats to be vaccinated and have attached animal license tags that must be renewed each year.

Pet owners can be fined up to \$120 for each animal that doesn't have a rabies vaccination certificate and license tag.

Cost for tags is \$10 for spayed or neutered pets, \$16 for unaltered dogs and cats, \$10 for pets younger than 1; same fees apply to replacement tags.

You can purchase or renew your animal license tag over the phone by calling 321-633-2024. Visa, MasterCard and Discover credit cards are accepted.

Tags also are available from:

- » Brevard Animal Services (Main Office): 2725 Judge Fran Jamieson Way, Building A, Viera, 321-633-2024
- » North Animal Care Center: 2605 Flake Road, Titusville, 321-264-5119
- » South Animal Care Center: 5100 W. Eau Gallie Blvd., Melbourne, 321-253-6608
- » Participating veterinary clinics and local adoption centers
- » brevardsheriff.com

The county also enforces a leash law for dogs and cats. The fine for allowing an animal to be at large is \$55 for the first offense, \$165 for a second incident. Visitors and residents are required to adhere to the laws established by the Brevard County Code of Animal Control Ordinance.

Call Animal Services and Enforcement at 321-633-2024 or visit brevardcounty.us/AnimalServices.

EXCELLENCE IN HEALTH CARE

You are not the only one who wonders about the difference among health care insurance providers. So does the National Committee on Quality Assurance.

Florida Health Care Plans has earned the coveted *Excellent Accreditation* from the National Committee on Quality Assurance (NCQA). NCQA accredits and certifies a wide range of health care organizations. So its *Excellent Accreditation* is granted only after in-depth analysis of each provider. Florida Health Care Plans is grateful for the recognition, but more than that it is honored to provide exceptional health care coverage to 68,000 members.

For today, for the future, for our community... Coastal makes connections for life.

Seasoned Professionals~As Brevard County's exclusive provider of non-emergency ambulance services, Coastal Health Systems makes important connections every day for the citizens of our community. For 29 years, our staff of trained professionals has safely transported hundreds of thousands of patients to and from various healthcare providers here in Brevard County and across our state and nation. Every day of every year, Coastal is on duty and playing a key role in Brevard's medical transportation system.

Accreditation Matters~Since 2006 Coastal has been nationally accredited by the Commission on Accreditation of Ambulance Services (CAAS). As one of the first three Florida agencies to successfully earn this distinction we are proud to have lead the way for others to follow. Florida now has 15 CAAS accredited agencies that have attained this distinction but that number remains small in comparison to the total number of ambulance services operating in Florida. Considered the "Gold Standard" for ambulance services, Coastal is very proud of the achievement which continues to demonstrate our commitment to quality and our dedication to our community and our healthcare partners.

Quality Assured~At Coastal "Quality" is a benchmark for day-to-day performance. Coastal believes quality must be measured in many different ways, from patient surveys, on time performance measures, to clinical indicator reviews and patient care report accuracy just to name a few. Coastal's franchise agreement with Brevard County mandates very specific performance parameters including one that establishes a minimum of 90% for on time performance. Exceeding that requirement every year, Coastal's on time performance averaged 97% over the past 10 years. Additionally, patients responding to Coastal's patient satisfaction survey have consistently rated their transports above 3.8 on a 4.0 matrix rating scale. Coastal takes performance standards very seriously and closely monitors how that performance meets the expectations of its patients, healthcare partners and county leaders.

Community Partnerships~Coastal Health Systems is a truly unique not-for-profit organization in partnership with Brevard's hospitals and Brevard County. Operating under the vision and guidance of a Board of Directors with members from Brevard hospitals and with the important oversight of the Board of County Commissioners, Coastal must meet the highest professional and service standards and remain capable of responding to the needs and vision of the county's health care and emergency services professional's alike. Coastal exemplifies the level of collaboration that exists within our community to deliver the high quality of service that our hospitals expect, our county leadership requires and our citizens deserve.

SCHOOLS

It was all smiles, hugs and congratulations for Brevard County's Teacher of the Year Jane Araquez at Saturn Elementary School in Cocoa. Araquez works with her kindergarten students before the first bell rings.

MALCOLM DENEMARK / FLORIDA TODAY

Public schools

To register a child in Brevard Public Schools, residents need the child's birth certificate or similar age verification document, residency verification, immunization records and proof of a medical checkup within the past 12 months and academic history (last report cards, withdrawal form or transcripts). For more information, call the Brevard County School District's administrative offices at 321-633-1000, ext. 500. Visit brevardschools.org for lunch menus, calendars, school board meeting minutes, job listings and links to school home pages. The following is a list of public schools for each of the school district's administrative areas. The state assigns letter grades to all public schools based on their performance in the Florida Standards Assessment test as part of the governor's "A-Plus Plan" for education.

INTRODUCTION

Hot spot to soak up sporting life

FLORIDA TODAY STAFF

Brevard County is home to just about every sport imaginable. Whether you like to participate or watch, chances are you'll find something you enjoy.

Local waterways offer some of the finest boating and sailing, and an ideal environment for water skiing, wakeboarding, stand-up paddleboarding, kayaking and canoeing, as well as competitive and recreational rowing. Kiteboarding is gaining in popularity, along with more traditional forms of boardsailing.

Though wave conditions are not always perfect for surfing — or perhaps because of that — Brevard County has produced several major surfing stars, including world champion Kelly Slater of Cocoa Beach and the Hobgood twins, C.J. and Damien, veterans of the World Surf League. Local contests are conducted annually from Cocoa Beach south to Sebastian Inlet. Surfers often share their favorite inlet break with anglers in search of a treasured taste of snook or a fight with a tarpon.

Super boat races come every May to Cocoa Beach, bringing in some of the fastest boats around.

If water sports aren't your thing, Brevard is home to many challenging public and private golf courses designed by some of the great players.

Tennis facilities from Titusville to south of Melbourne Beach include just about every surface. There is also a men's and women's pro tournament at the Kiwi Club in Indian Harbour Beach.

Brevard County is a haven for runners from the area and outside of it. There are many 5Ks that take place monthly and the Running Zone Race Series is a group of seven races that include the I Run For Pizza Football Kickoff 5K.

The Space Coast Runners is a group that has running sessions and the Space Coast Runner of the Year Series, which includes the Space Coast Marathon & Half Marathon.

The county also is home to the USA Beach Run and Florida & Half Marathon, listed as "One of America's Top 10 Bucket List Waterfront Races" by *Runners World* magazine.

And then there are the county's many parks, where everything from bocce ball to cricket, horseshoes, disc golf, sand volleyball, softball and soccer — to name a few — are available year round in addition to miles of running, hiking and mountain biking trails. There also is an equestrian facility and archery range at Melbourne's Wickham Park.

Space Coast Stadium will be the site for the USSSA Pride professional softball team that plays during the summer.

A variety of amateur sports, drawing teams from across the country and beyond, will take place at Space Coast Stadium and at Cocoa Expo throughout the year.

There also are numerous facilities offering bowling and billiards. Ice skaters and hockey fans gravitate to the Space Coast Ice Plex in Rockledge while extreme sports enthusiasts take advantage of several first-class skate parks. There also is a rock climbing facility in West Melbourne and a trampoline park, Sky Zone, in Rockledge.

All in all, the Space Coast offers something for just about everyone.

Youth sports

For information about county programs, call the Brevard County Parks and Recreation Department at 321-255-4400.

Baseball, softball: District 2 and District 22 Little League, the governing body for Little League baseball and softball in Brevard, consists of 20 leagues from Mims to Palm Bay. Opening day for most leagues is in late February or early March, and play continues until the last of the All-Star tournaments in July and August.

Sea turtles

Mysterious visitors to Brevard's beaches

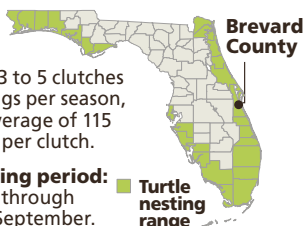

Sea turtles are air-breathing reptiles that spend most of their lives in the ocean. Of the seven species, loggerhead, leatherback and green nest along Brevard County's coast.

Green turtle

Adults: Up to 700 pounds, 5 feet long
Status: Endangered

Lays 3 to 5 clutches of eggs per season, an average of 115 eggs per clutch.

Nesting period: June through late September.

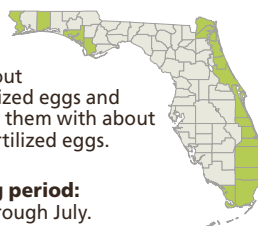

Leatherback

Adults: 700 to 2,000 pounds, 4 to 8 feet long. **Status:** Endangered

Lays about 80 fertilized eggs and protects them with about 30 unfertilized eggs.

Nesting period: April through July.

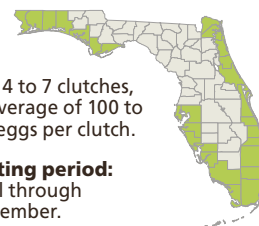

Loggerhead

Average adult: 300 pounds, 4 feet long. **Status:** Endangered

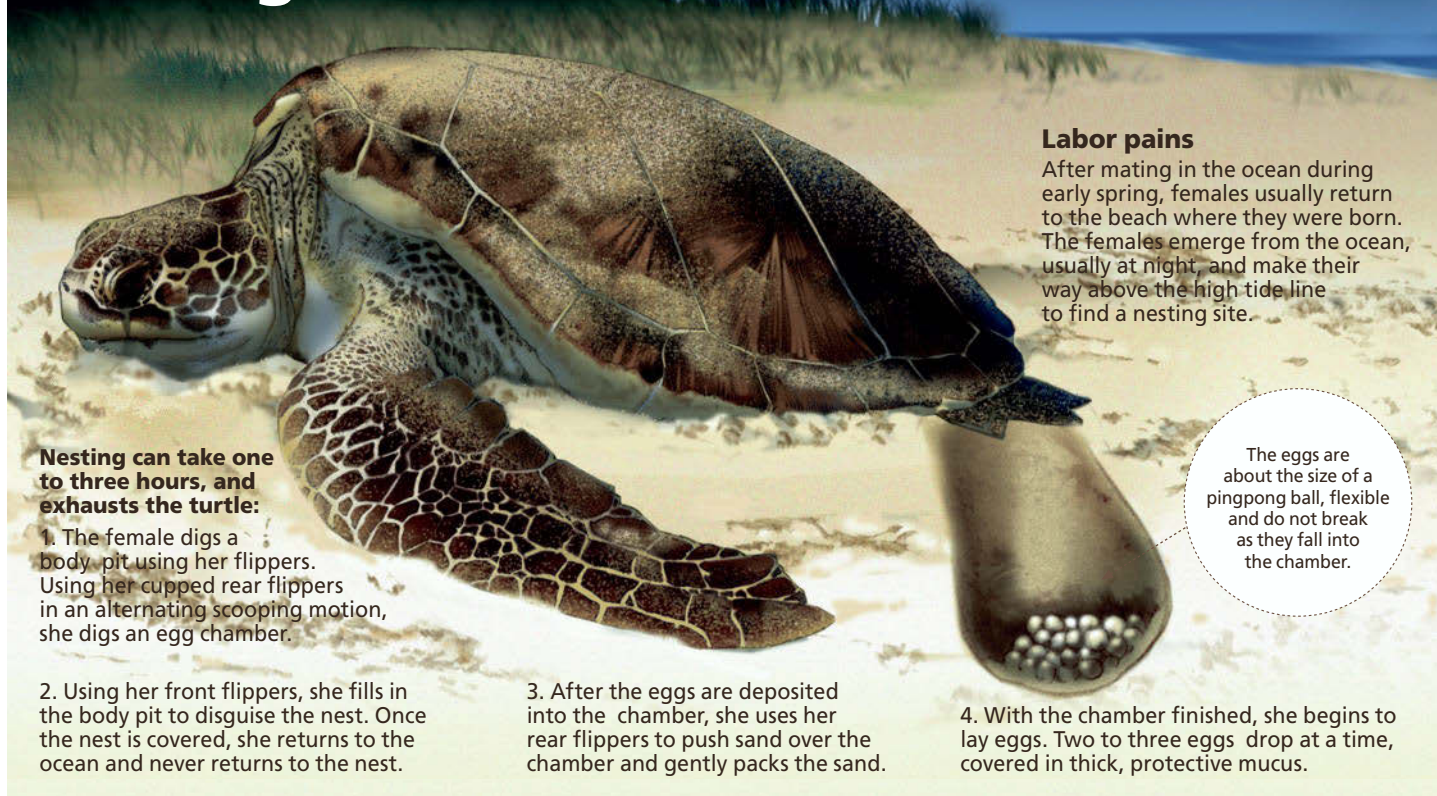

Lays 4 to 7 clutches, an average of 100 to 126 eggs per clutch.

Nesting period: April through September.

Nesting in Florida

Annually, sea turtles along the Florida coast make between 40,000 and 84,000 nests, mainly from May through October.

Nesting can take one to three hours, and exhausts the turtle:

1. The female digs a body pit using her flippers. Using her cupped rear flippers in an alternating scooping motion, she digs an egg chamber.
2. Using her front flippers, she fills in the body pit to disguise the nest. Once the nest is covered, she returns to the ocean and never returns to the nest.
3. After the eggs are deposited into the chamber, she uses her rear flippers to push sand over the chamber and gently packs the sand.
4. With the chamber finished, she begins to lay eggs. Two to three eggs drop at a time, covered in thick, protective mucus.

Labor pains

After mating in the ocean during early spring, females usually return to the beach where they were born. The females emerge from the ocean, usually at night, and make their way above the high tide line to find a nesting site.

The eggs are about the size of a pingpong ball, flexible and do not break as they fall into the chamber.

The eggs hatch about 60 days after being laid, depending on the sand temperature.

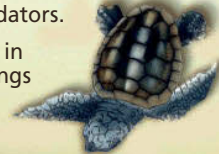

Green turtle hatchling

After a hatchling reaches the surf, for the next 24 to 48 hours, it swims into deeper water where it is less vulnerable to predators.

Leatherback hatchling

More than 90 percent of hatchlings are eaten by predators. Only about 1 in 1,000 hatchlings survive to become an adult.

Fishing and boating licenses

Who needs a freshwater or saltwater fishing license, and where licenses can be obtained

FRESHWATER

Freshwater fishing licenses are required for residents and nonresidents. A resident is:

- » Any person who has continually resided in the state for the past six months and claims Florida as his or her primary residence.
- » Any member of the U.S. Armed Forces who is stationed in this state (includes spouse and dependent children residing in the household).

All citizens who intend to hunt or fish in Florida require a valid license. Some exceptions to the law are:

- » Florida residents 65 years of age or older who possess a Resident Senior Citizen Hunting and Fishing Certificate, or who have in their possession proof of age and residency;
- » Children younger than 16;
- » Florida residents certified as totally and permanently disabled who possess a Florida resident Disabled Person Hunting and Fishing Certificate.
- » Florida residents fishing with live or natural bait, using poles or lines that are not equipped with a fishing-line-retrieval mechanism, and residents fishing for noncommercial purposes in their home county. However, residents must have a valid fishing license to fish by any method in a fish management area.

- » Any Florida resident who is a member of the U.S. Armed Forces while home on leave for 30 or fewer days.
- » More exceptions: myfwc.com/license/recreational/do-i-need-a-license/

Fishing licenses can be obtained from 8:30 a.m. to 5 p.m. Monday, Tuesday, Thursdays and Fridays at county Tax Collector's offices at the following locations. Bring driver's license or Florida ID card:

- » North Brevard Service Complex: 400 South St., Titusville, 321-264-5224
- » Merritt Island Service Complex: 1605 N. Courtenay Parkway, Phone: 321-264-5224
- » Brevard County Government Center: 2725 Judge Fran Jamieson Way, Building A108, Viera, 321-633-2199
- » South Brevard Service Complex: 1515 Sarno Road, Melbourne, 321-255-4410
- » Palm Bay Service Complex: 450 Cogan Drive SE, 321-952-4540
- » Indian Harbour Place Shopping Center: 240 E. Eau Gallie Blvd., Indian Harbour Beach, 321-779-4009

SALTWATER

Those required to have a license:

- » Nonresidents 16 and older fishing anywhere in state waters.
- » Residents and nonresidents ages 16 to 64 fishing from a boat in state waters, unless

the vessel is covered by a vessel saltwater license.

- » Residents and nonresidents ages 16 to 64 fishing from land where the person used a boat or other waterborne means, including swimming, to reach land.

Residents 16 to 64 who are fishing for a saltwater species (other than mullet in fresh water) from land or from a structure fixed to the land are required to have a no-cost saltwater shoreline fishing license unless they have a regular saltwater fishing license or are exempt.

BOATING LICENSES

Motorized boats must be registered if their owners reside in the state for more than 90 days. No registration fee is required for boats or canoes without a motor. Rates for registration and decal are set by the Florida Legislature.

Boats can be registered from 8:15 a.m. to 5 p.m. weekdays at county Tax Collector's offices.

How to fish Sebastian Inlet

The best catches of Sebastian Inlet. Numbers refer to locations on the map.

1. Snook: A favorite for its fight and table fare. A gamefish caught throughout the inlet on live baits, including croaker, pinfish, pigfish, mojarra and mullet, or artificials, such as flair jigs, bucktail jigs, Bombers, Windcheaters, Mirrolures and Mavericks.

2. Redfish: A gamefish usually taken from the two jetties and by boaters around the mouth of the inlet, with a fall run sometimes coordinating with the fall mullet run around the north jetty. Will hit live baits, including shrimp, on sliding-sinker bottom rigs and bucktail jigs.

3. Spanish mackerel: Another late fall or early winter migrant usually caught from the north and south jetties. They'll hit small spoons, like the Diamond Jig, or small live baits fished under floats.

4. Bluefish: Always attracts a crowd of casters, usually on the north and south jetties, during the early winter months. Will hit silver spoons best, but also can be taken on bottom rigs with cut bait.

5. Mangrove snapper: Sometimes taken in large numbers around the pilings and rocks of the north jetty on light tackle by those using pilchards or live shrimp on a small hook.

6. Flounder: Best numbers usually are taken in December and January throughout the inlet, but mostly west of the State Road A1A bridge by shoreline fishermen and boaters. Live finger mullet is the choice bait, but they'll also take live shrimp and other small baitfish. Sliding-sinker bottom rigs should be used. Slack tide usually brings the better catches.

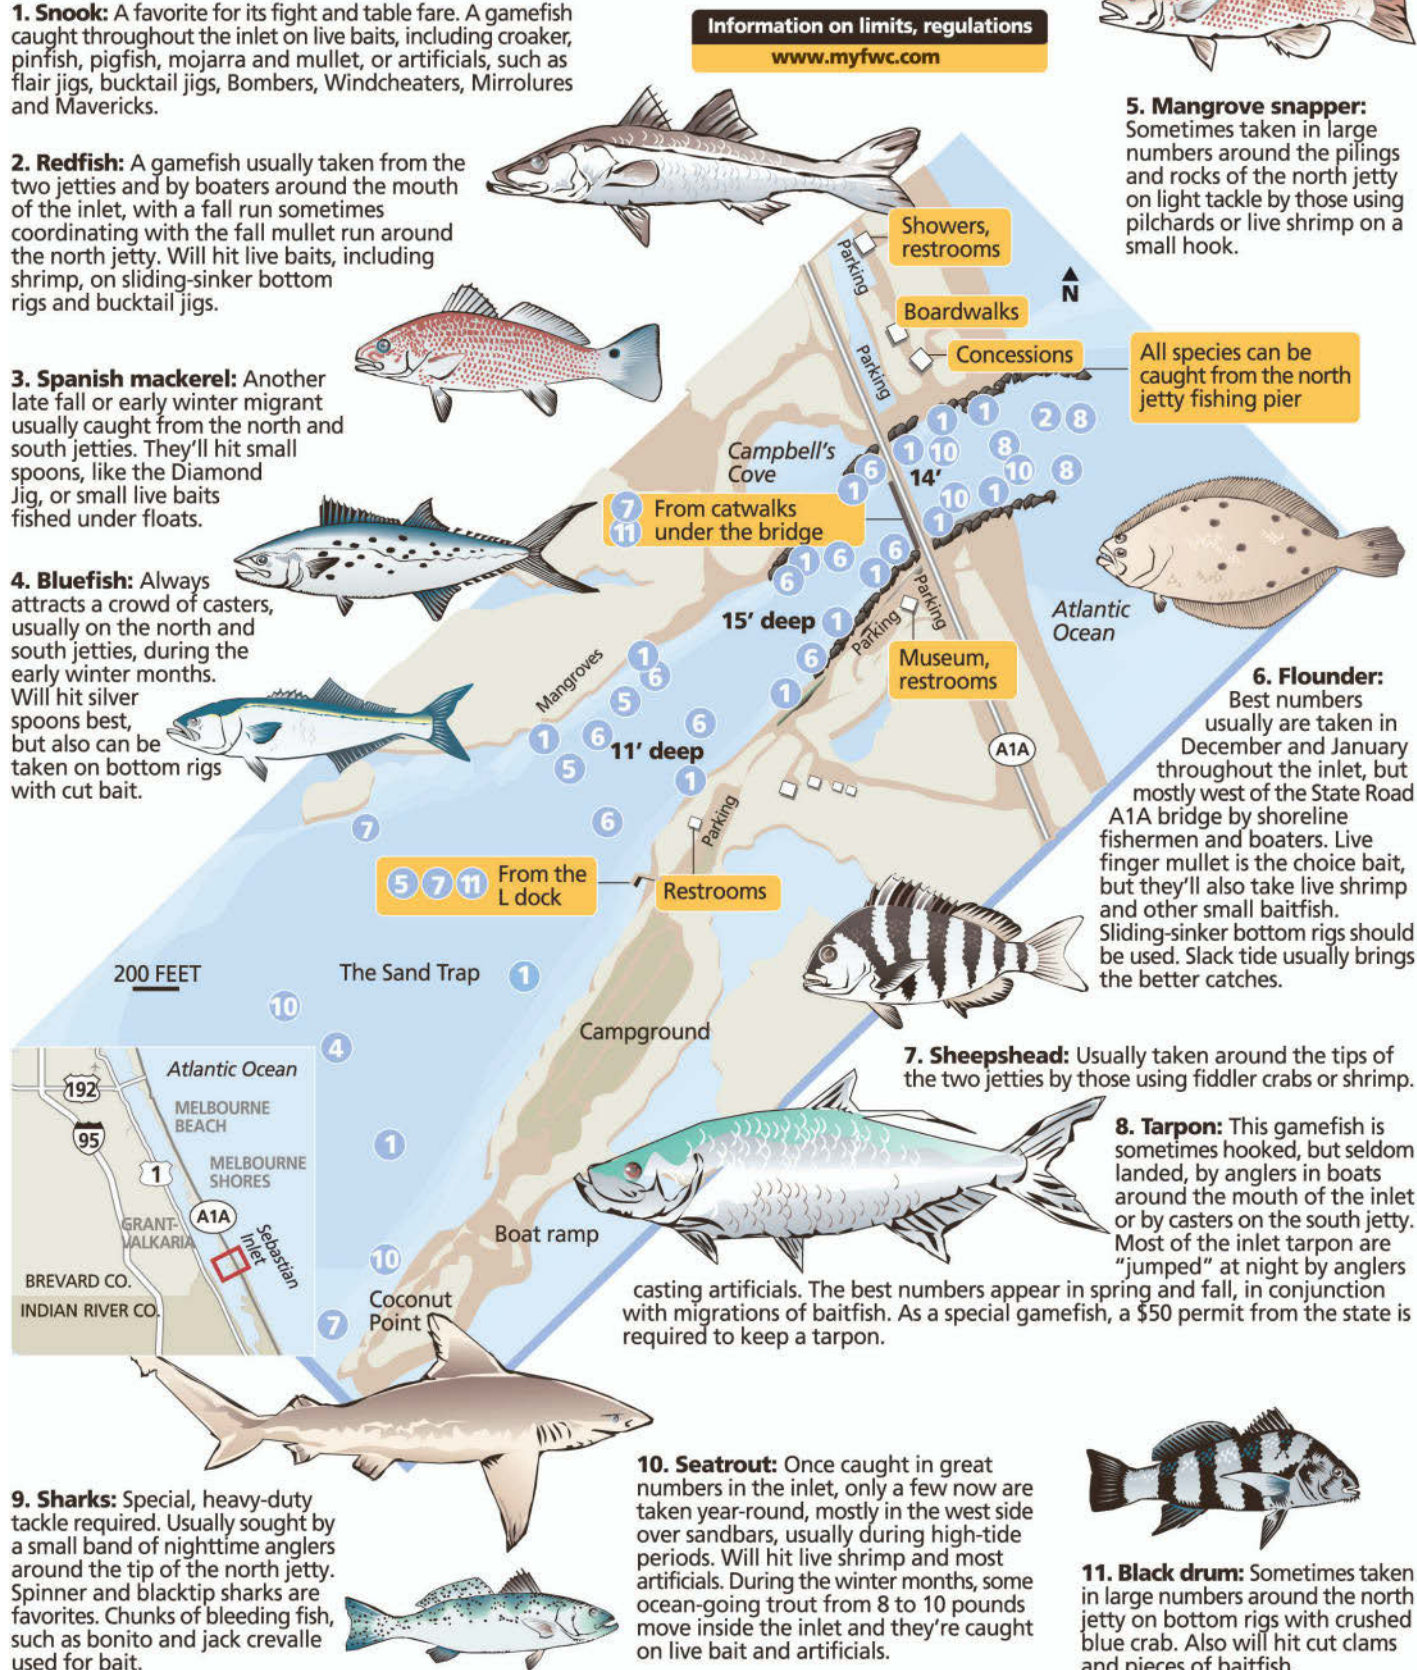

7. Sheepshead: Usually taken around the tips of the two jetties by those using fiddler crabs or shrimp.

8. Tarpon: This gamefish is sometimes hooked, but seldom landed, by anglers in boats around the mouth of the inlet or by casters on the south jetty. Most of the inlet tarpon are "jumped" at night by anglers casting artificials. The best numbers appear in spring and fall, in conjunction with migrations of baitfish. As a special gamefish, a \$50 permit from the state is required to keep a tarpon.

9. Sharks: Special, heavy-duty tackle required. Usually sought by a small band of nighttime anglers around the tip of the north jetty. Spinner and blacktip sharks are favorites. Chunks of bleeding fish, such as bonito and jack crevalle used for bait.

10. Seatrout: Once caught in great numbers in the inlet, only a few now are taken year-round, mostly in the west side over sandbars, usually during high-tide periods. Will hit live shrimp and most artificials. During the winter months, some ocean-going trout from 8 to 10 pounds move inside the inlet and they're caught on live bait and artificials.

11. Black drum: Sometimes taken in large numbers around the north jetty on bottom rigs with crushed blue crab. Also will hit cut clams and pieces of baitfish.

FLORIDA TODAY STAFF

The Space Coast is home to premier surf spots, international surfing events and some of the world's top surfers. Among the pros who got their feet wet along the Space Coast are world champions Kelly Slater of Cocoa Beach and C.J. Hobgood of Satellite Beach.

Several annual events in Brevard County have attracted thousands of spectators and hundreds of competitors. Among the area's contests are the National Kidney Foundation Labor Day Surfing Festival, the Beach 'N Boards Festival in the spring, the Waterman's Challenge in the summer and a gathering of the Women of the Waves in Cocoa Beach each fall. There are plenty of other events for youngsters and adults alike, including the Eastern Surfing Association Series and the National Scholastic Surfing Association and Atlantic Surfing Federation championships. For casual surfers, popular spots extend from Playalinda Beach in the north to Sebastian Inlet down south.

On Christmas Eve each year, the internationally renown Surfing Santas event takes place in Cocoa Beach, with santas surfing and skydiving. This past year, a record 772 St. Nick-costumed surfers took part.
