Ben Davis Fans and Guests

On behalf of the Board of Education, welcome to Wayne Township, the M.S.D. of Wayne Township and Ben Davis High School. The west side residents in Wayne Township strongly support our children and our schools. While visiting, you will witness our Giant pride as we paint the town purple. Our motto, "We Are Wayne", demonstrates the collaborative efforts of our students, parents, staff and community to provide multiple pathways for success in this great community and our great schools.

I have always believed in the benefit of athletics to teach valuable life lessons as an extension of the lessons learned in the classroom and at home. Our state and nationally recognized athletic programs for both boys and girls at Ben Davis High School provide for fall, spring and winter participation in nearly 20 sports. Our staff promotes being a successful student first while demonstrating sportsmanship, dignity, and honor in both victory and defeat. I am very proud of our athletic staff and the support provided them by our Athletic Booster Club. The dedication of our community has provided our students with world –class facilities and top-notch opportunities.

I look forward to another season of Ben Davis Sports and am excited to have you join us. I would like to encourage everyone to practice good sportsmanship by demonstrating positive support for all players, coaches, and officials. We strive for the best and hope you will have an enjoyable time at each and every one of our sporting events.

We Are Wayne!

Welcome to Giant Country

Dear Giant Fans,

Thank you for your support of Ben Davis Athletics. We know that through these events our young men and women learn vital skills: teamwork, discipline, integrity, and sportsmanship. Though we all love to win, we know that there are life lessons to be learned in both winning and losing.

We expect our athletes and coaches to conduct themselves with class and humility at all times. We ask that our fans please do the same. We pride ourselves on the *Ben Davis Way*— a tradition of excellence and great sportsmanship. We are proud of our coaches, athletes and community. We want to reflect the tradition of excellence through our actions and character at all times.

These events are successful because of the many dedicated people who work hard to create a positive experience. I want to thank our Athletic Department, our Dad's Club, our Booster Club, and the numerous staff and volunteers for their contributions. I also want to thank our parents and the Wayne Township Community for their continued loyalty and support. Enjoy the event.

There is a reason they call us Giants!!

Coach Aajaoui said on the weekends they would sometimes play from sun up until sun down. After he graduated from Ibn Zoubr College in Agadir, Morocco with a bachelor's degree in Geography he taught for two years.

Coach Aajaoui wanted a better life for himself and his family so he signed up for the lottery drawing to come to the USA. He was chosen out of over 20 million people. He arrived in the states in July of 2017. He is a paraprofessional at Ben Davis High School and will continue his education in the spring of 2020. The football here is different from the football in Morocco but he is adjusting to it and enjoying it. He loves to work out, eat healthy and cook.
