## Introduction

The Appalachian Mountain Club has compiled the protected lands, public and non-public fee and easement lands, as well as local and regional hiking trails and water trails that are within the Pennsylvania Highlands within the county of Lebanon. Regional hiking and water trails are within a minimum of three municipalities. Local hiking trails are within one or two municipalities. Hiking trails include both on and off road trails.

This compilation is meant to be a resource for those living and working in the Pennsylvania Highlands. However, because protection of lands and trail development are constantly evolving, please understand that the information in this guide will also change. While we will do our best to keep the information current, please make sure to check other sources and the internet for the most current information.

If you know of protected lands or trails that we should add or updates that we need to make, please let us know by emailing [amcpahighlands@outdoors.org](mailto:amcpahighlands@outdoors.org).
