

*The
Alternative
Genius
Workbook*

PAID @ EXIST

This workbook will help you assess your 9 types of intelligence and better understand how you could use them in your next career or business.

These 9 types of intelligences were created by Howard Gardner and you can find pretty cool definitions of each of these on this blog post:

Once you read the post, you're ready to do this self-discovery exercise:

Intelligence Type	How would you rate yourself on a scale of 1 to 9?	Is this something you would like to use more in your life?	List 3 ways you could use this intelligence to help people
Bodily-Kinesthetic Intelligence			
Existential Intelligence			

Interpersonal Intelligence			
Intra-personal Intelligence			
Linguistic Intelligence			
Logical-Mathematical Intelligence			

Musical Intelligence			
Naturalist Intelligence			
Spatial Intelligence
