

ARRIVE MEMPHIS

OVERVIEW

The starting point for exploring a city steeped in culture, history and music, ARRIVE Memphis is steps away from some of the destination's legendary historic sites, best Memphis-style BBQ and the downtown Memphis trolley, with easy access to Beale St. and more. ARRIVE Memphis is a 62-room boutique neighborhood hotel with thoughtfully designed, industrial-inspired guestrooms. Each room is outfitted with plush robes, Bellino Fine Linens, Salt & Stone bath amenities, artwork by Memphis-born artist Michelle Fair, Apple TVs with live TV streaming apps, a Marshall Bluetooth speaker and a curated minibar of snacks and refreshments.

The guest experience begins with check-in next to Hustle & Dough, an all-day bakery and café offering fresh pastries, Mammoth Coffee espresso drinks, and a delicious cafe menu of toasts, grits bowls, sandwiches, and salads. By night, the same lobby lounge filled with couches and communal tables becomes Bar Hustle, serving great cocktails, beer, wine, and pizzas made with Hustle & Dough's signature Detroit-style crust. Longshot, just around the corner, is South Main's private shuffleboard bar, available for private events and celebrations.

Artwork by Michelle Fair, a former student, lines the walls and is used on the hotel keycards. Guestrooms are industrial-inspired, further nodding to the building's history, though modern, comfortable and full of natural light. Eclectic, yet sophisticated, the hotel's hub is its all-day café and bakery with ample seating, characterized by unique antique furniture pieces.
