

A wide-angle photograph of a modern resort pool area. In the foreground, a large, rectangular swimming pool with clear blue water is visible. Surrounding the pool are numerous lounge chairs with white cushions and wooden frames. Many of these chairs are shaded by large, black and white striped umbrellas. The pool deck is paved with light-colored stone tiles. In the background, there is a modern building with a prominent red-brown wooden facade and large windows. Several tall palm trees are scattered throughout the scene, some in front of the building and others in the distance. The sky is a clear, pale blue with a few wispy clouds. The overall atmosphere is one of a luxurious, contemporary vacation spot.

THE ARRIVE EXPERIENCE

IN THE HEART OF THE NEIGHBORHOOD.

We want to give visitors a taste of what makes Palm Springs tick. So we design our hotels to reflect their unique surroundings and fill them with local styles, tastes, and – most importantly – people. If we're doing it right, you'll feel like you're in the heart of the neighborhood.

DESIGN AND COMFORT.

Our design-driven rooms are thoughtful, comfortable and full of lowkey luxuries like marble bathrooms, Bellino Fine Linens, and Salt & Stone bath amenities. If we're doing it right, you'll head home with some new inspiration for your home.

MODERN, SIMPLIFIED HOSPITALITY.

It's simplified service without sacrificing hospitality. It's a warm welcome from a real person, but a streamlined check-in process without all the red tape. It's hotel services that are always available via text message, but a friendly face to point the way and provide honest local recommendations. And it's always treating people fairly. If we're doing it right, we'll be there when you need us and be invisible when you don't.
