

PALIHOTEL

CULVER CITY

OVERVIEW

Named as one of the hottest new hotels in the world by Condé Nast Traveler, 2019 Hot List, Palihotel Culver City is a boutique and intimate hotel, tucked away in Los Angeles' coolest new hang out spots. Located in the heart of downtown Culver City on Van Buren Place and steps away from Rush Street, Palihotel Culver City continues in the spirit of the former West End Hotel, a 1920's Boarding House. The building's Twenties façade with its Deco signage, street numbers, and light fixtures feels both Parisian and classic Hollywood. The lobby has vintage artwork, ceramic tiled floors, and navy-and-white striped wallpaper. The building is fully reimagined and serves as an inspiration, honoring the city's rich cinematic roots as the original birthplace of the entertainment industry.

With 49 petite guestrooms infused with Pali's signature personality, bold and classic aesthetic elements, and smart features, this property is ideal for local creatives, savvy travelers, entertainment business trips, and culture seekers. Explore French, but not fussy cuisine at Simonette with local ingredients and traditional French flavors.

Palihotel Culver City delivers a bespoke approach to seamlessly blend into the vibrant neighborhood of its cultured landscape and welcome travelers and locals alike!

DINING & EVENTS

Simonette is an all-day restaurant and bar that combines the elegance of French cuisine with the cheerful friendliness of an American café. The bill of fare and ambiance is an homage to roadside food halls in southern France where the bonhomie in the air means everyone is here to eat, drink and have a tête-à-tête. The menu is hearty and simple yet refined by its French nature. It's shared mussels and a beer at lunch, a hamburger with Dijon served with a side of French-style green beans, or pomme frites. It's a pork chop and ratatouille served with two martinis at night. It's utilitarian, unpretentious, and totally chic. Follow us [@simonetterestaurant](#).
