

HOTEL GRAND STARK

PORTLAND

OVERVIEW

Located within Portland's vibrant Central Eastside, Hotel Grand Stark embodies and evolves the independent spirit of the Pacific Northwest.

Within this carefully designed and reimagined historic hotel, we have found inspiration in DIY movements and imperfect beauty. Situated outside the glossier central business district, in both location and mindset, Hotel Grand Stark is more than "Keep Portland Weird" – we represent an elevated reflection of the creative movements and quirky spirit of Portland, and beyond.

Featuring 57 bespoke King, Queen and Double-bedded guest rooms, and a welcoming Lobby with a separate Study Hall, the entire hotel has been created to pay homage to the neighborhood's rich history and encourages communal and inclusive spaces for travelers and locals alike.

Hotel Grand Stark celebrates the history, independent spirit, and eclectic nature of Portland and the Pacific Northwest. With a prime location in the vibrant Central Eastside, Hotel Grand Stark offers guests a neighborhood experience steps away from local attractions.
