

PALIHOTEL

MELROSE AVENUE

OVERVIEW

Palihotel Melrose Ave is an ideally located urban hotel designed to especially appeal to creative travelers of all ages.

For those who thrive on intimate, fun, comfortable, and contemporary hotels as well as unique neighborhood experiences, Palihotel is famed Melrose Avenue's first boutique hotel. With just 33 guest rooms located right in the middle of one of Los Angeles' renowned shopping districts, we've created a space that reflects the dynamic cultural residential and commercial history of Melrose Avenue.

Ultimately, Palihotel Melrose Ave is an homage to our inspired, distinctive, and savvy clientele, so we've set out to curate a dynamic mix of common and private spaces, furniture, objects, lighting, and finishes from different eras to reflect a sense of unconventionality and freedom. We've designed our rooms, lobby, and dining areas to be communal and inclusive to enhance the hotel's authentic neighborhood feel.

Ideal for the modern urban explorer, Palihotel Melrose Ave provides absolutely everything you need and nothing you don't.
