

The image shows a stylish interior space, likely a lounge or common area at the Pall Hotel in Seattle. The room features a dark green wall, a black and white checkered tile floor, and a large window on the right side. On the left, there is a wooden reception desk and a bookshelf. The wall is decorated with a wire rack holding two vintage suitcases and a framed portrait of a dog. Two tote bags with a logo hang from the rack. In the center, a stack of four vintage suitcases sits on the floor. To the right of the suitcases, there are several potted plants, including a large snake plant and a smaller plant in a terracotta pot. A large, round, woven basket sits on the floor. On the far right, a wooden chair with a striped cushion and a red pillow is visible. The text "PALL HOTEL" is overlaid in a large, white, serif font, and "SEATTLE" is overlaid in a smaller, white, sans-serif font below it.
