Who We Are

Palisociety takes our inspiration from innkeepers of the past, whose approach was rooted in comfort, community, and a very hands-on approach to every detail.

We have an unapologetically eclectic aesthetic when it comes to designing hotels. Each of our hotels is entirely unique, inspired by the individual spaces we inhabit and the neighborhoods we call home.

We believe in good old-fashioned hospitality with a new-fashioned attitude. We believe in having an independent spirit — and bringing it to life.

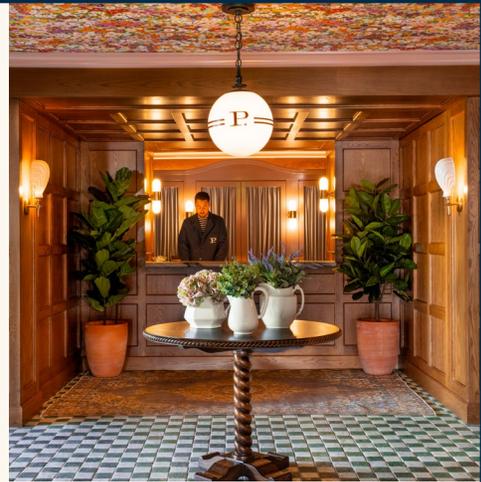

We are a fully integrated hospitality company that acquires, designs, develops, owns, and operates unique hotels and residences across the country under four distinct monikers:

PALIHOUSE • PALIHOTEL • LE PETIT PALI • ARRIVE by PALISOCIETY

...and a collection of independently branded properties that we call the

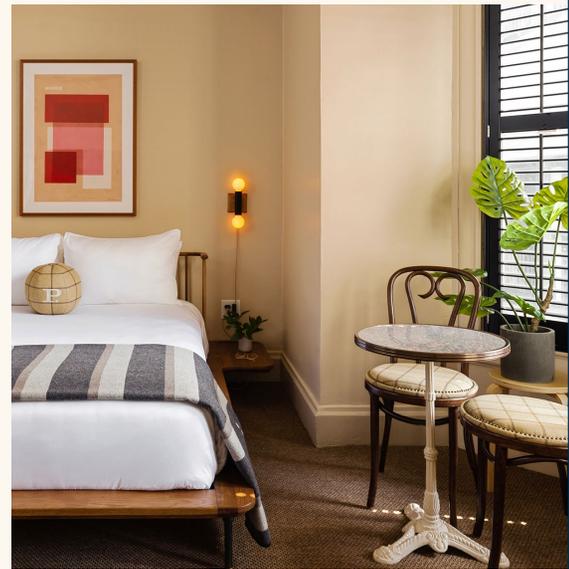

INDEPENDENT COLLECTION

World Famous *Palisociety*

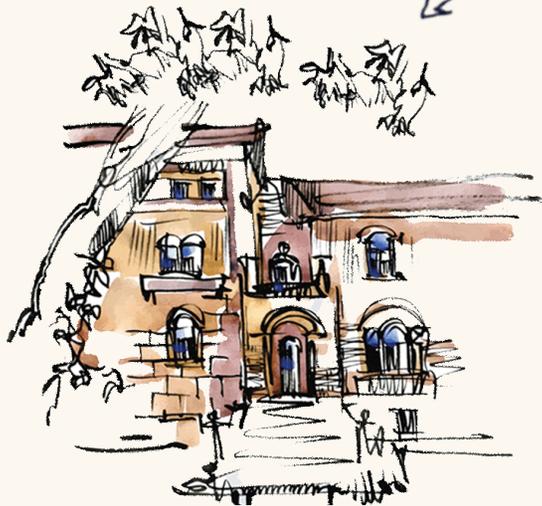

Palisociety is a collection of unique hotels and residences that aim to enhance the lives of our guests and the local community, by creating one-of-a-kind neighborhood-centric places filled with interesting people, friendly staff and trusty service.

Avi Brosh is the founder, leader and creative force behind Palisociety's brands and properties. Avi set his sights and mind on curating a collection of hotels and residences established with the convictions that neighborhoods, unique experiences, and inspiring places are integral to a life well-traveled.

The Palisociety Brand

Our mission.

Palisociety is a collection of unique hotels and residences that aim to enhance the lives of our guests and our communities by creating one-of-a-kind neighborhood-centric places filled with interesting people and friendly staff providing trusty service. We take to heart that few things in life are as transformative as the people and places you encounter when traveling, and that inspires us to continually expand our story.

A family business.

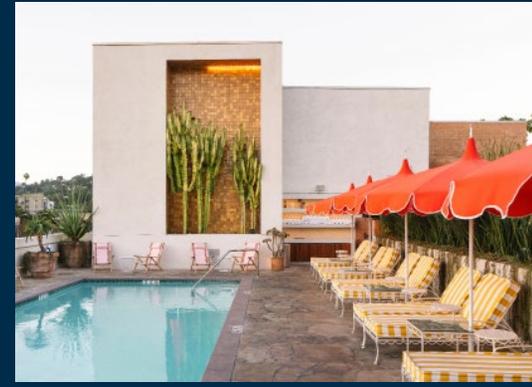

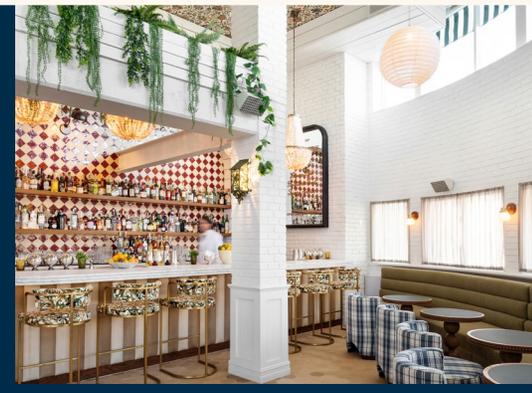

Palisociety is a family business. We are innkeepers in spirit. Every day we rely on the generous hospitality of our wonderful team of dedicated professionals who do all they can to make guests feel like they've found their special place – one that speaks to them in a way that inspires them to come back time and time again. For us, it's deeply personal.

Creative vision.

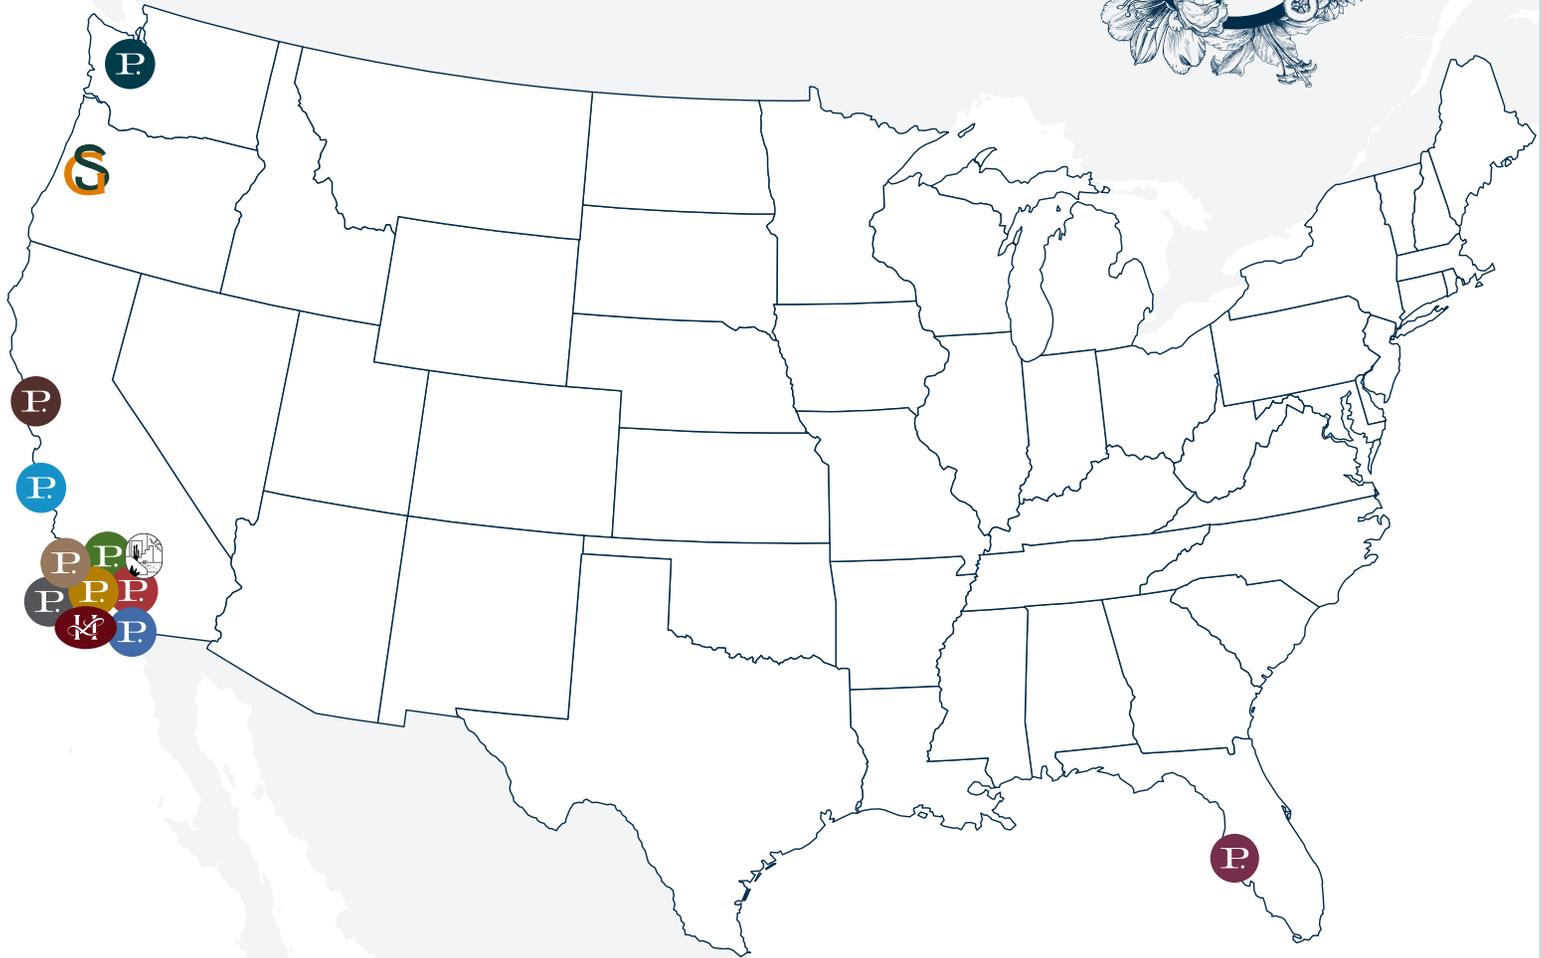

While our approach to design is consistent across our portfolio, each of our properties is completely unique, inspired by the individual spaces we inhabit and the communities we call home. We have an unapologetically eclectic aesthetic when it comes to designing hotels.

Independent spirit.

We strive to make deep and meaningful connections. We want our places to make you feel like you're understood. We want to convey an unfussy down-to-earth "luxury". We want our design to make your heart beat a little faster. We are foodies at heart, we love a local brew. We believe in good old-fashioned hospitality with a new-fashioned attitude. We don't take ourselves too seriously. We like places that feel like home. And most of all, we believe in having an independent spirit.

ARRIVE

by PALLSOCIETY

ARRIVE by Palisociety

Each ARRIVE by Palisociety hotel is tailored to its locale, its neighborhood, and its story. Throughout every hotel and behind every team member, there is a common Palisociety thread. A custom-made, community-focused approach to hospitality where personality is paramount, design details are everywhere, and brilliant minds are hard at work making sure your visit is a good one. Make that a great one.

THE ARRIVE BRAND

IN THE HEART OF THE NEIGHBORHOOD.

We build hotels in some of the world's most special neighborhoods. We want to give visitors a taste of what makes these places tick. And we want to build something locals can be proud of. So we design our hotels to reflect their unique surroundings and fill them with local styles, tastes, and – most importantly – people. If we're doing it right, you'll feel like you're in the heart of the neighborhood.

DESIGN AND COMFORT.

Our design-driven rooms are thoughtful, comfortable and full of lowkey luxuries like marble bathrooms, high-quality bedding, and bespoke bath amenities. Instead of relying on generic hotel furniture packages, we source individual residential pieces to create unique, authentic, welcoming spaces. If we're doing it right, you'll head home with some new inspiration for your house.

MODERN, SIMPLIFIED HOSPITALITY.

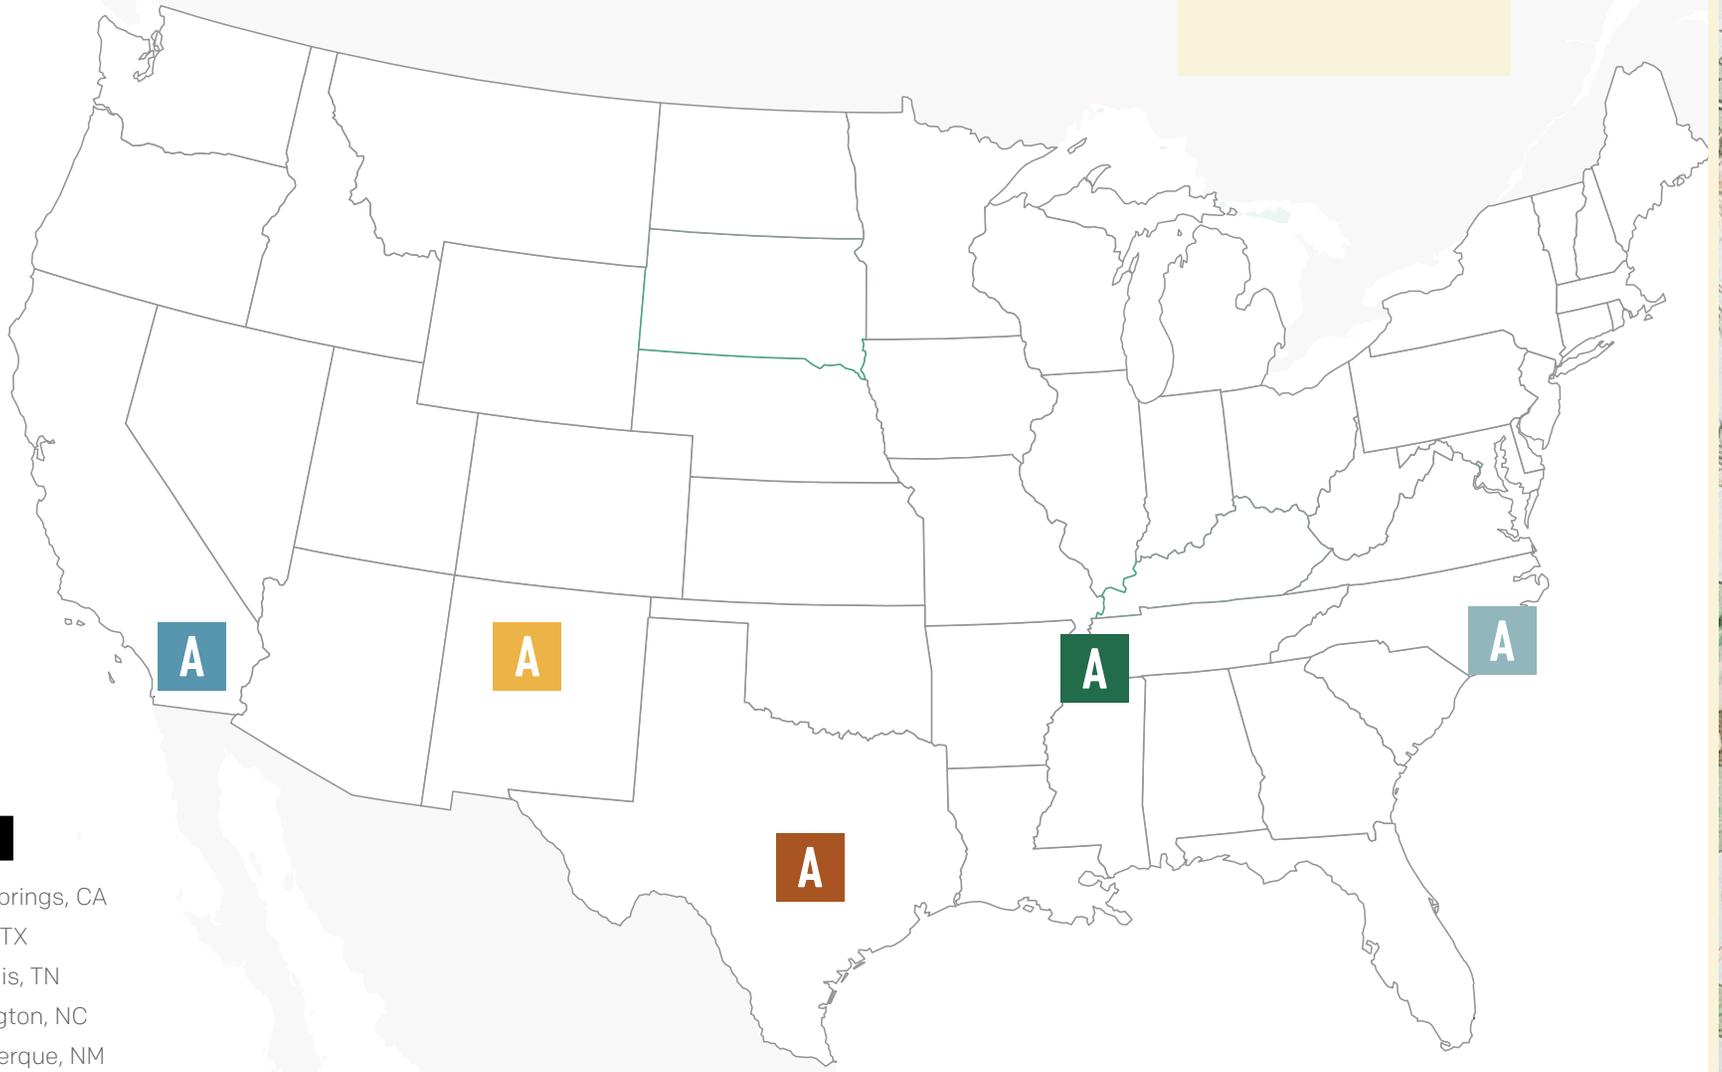

Walking the fine line between limited and full service, our service philosophy is built around the expectations of the modern traveler. It's simplified service without sacrificing hospitality. It's a warm welcome from a real person, but a streamlined check-in process without all the red tape. It's hotel services that are always available via text message, but a friendly face to point the way and provide honest local recommendations. And it's always treating people fairly, without the nickel-and-diming that so often irks hotel guests. If we're doing it right, we'll be there when you need us and invisible when you don't.
