

SILVER LAKE POOL & INN

OVERVIEW

Silver Lake Pool & Inn sits on a corner just south of the Sunset Junction in the heart of Silver Lake, one of the most exciting neighborhoods in all of Los Angeles, and one that we love. We are proudly surrounded by people that have created a community supported by the community.

Our Inn features an elevated pool deck, 54 oversized guest rooms and suites as well as Marco Polo, a coastal Italian inspired al fresco restaurant and bar, serving breakfast, lunch, dinner, and brunch on the weekends.

The property is intimate in scale, with cozy nooks that transition naturally from one to the next, providing a feeling of repose and open flow at the same time. The space is curated and designed with a discerning, distinctly Californian influence brought to life with vintage leather furniture, wood and stone accents, lush greenery and an abundance of natural light. The overall aesthetic is airy and organic with dynamic details and finishes throughout.

LOCATION

Silver Lake Pool & Inn is a short stroll from some of the best restaurants in the city and an active art and music scene with indie shops, galleries, and cafés filled with locals who inspire and influence the neighborhood's one-of-a-kind culture.

ACCOMMODATIONS

Our rooms and suites are built for comfort and ease, all with a front-row seat to Silver Lake's dynamic energy. Complimentary high-speed Wi-Fi, fully stocked minibars with gourmet snacks on request, in-room tablets, plush robes, 55-inch TV's, safes and Diptyque bath amenities are lovingly included.
