## SILVER LAKE POOL & INN

Boutique Hotel + Urban Oasis

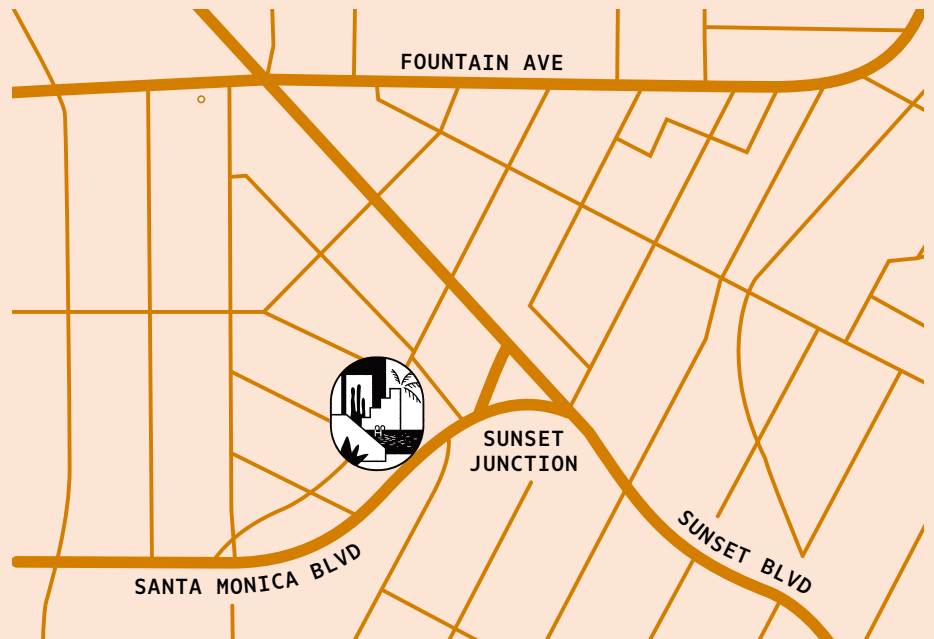

Silver Lake Pool & Inn sits on a corner just south of the Sunset Junction in the heart of Silver Lake, one of the most exciting neighborhoods in all of Los Angeles, and one that we love. We are proudly surrounded by people that have created a community supported by the community. Our Inn features an elevated pool deck, 54 oversized guest rooms and suites as well as Marco Polo, a coastal Italian inspired outdoor restaurant and bar.

## THE NEIGHBORHOOD

Silver Lake Pool & Inn is conveniently located in the heart of the east side. We are a short stroll from some of the best restaurants in the city and an active art and music scene with indie shops, galleries, and cafes filled with locals who inspire and influence the neighborhood's one-of-a-kind culture. The popular central L.A. neighborhood boasts incredible hilltop views and is within close proximity to Hollywood and Downtown Los Angeles.

A woman with long dark hair, wearing a light-colored jacket, is smiling behind a reception desk. The desk has a white top and a base with vertical wooden slats. The background wall is covered in square terracotta tiles. Two modern, arched desk lamps with metallic shades are positioned on either side of the woman. Above her, a wooden shelf holds a row of small, dark, cylindrical objects. A small framed picture hangs on the wall to the left of the woman. To the right, a large green plant in a terracotta pot is visible. The floor is made of large, light-colored stone tiles.
