

THE JUMPCUT CREATOR PLEDGE

From this day forward, I, _____, swear to embrace hard work; to laugh in the face of fear; to trust in my instincts; to appreciate the advice of mentors; to help those who struggle, and to always stay hungry for success. I pledge to constantly improve; take full responsibility, and never give up no matter the circumstance.

When others say it can't be done, I will ignore them and do it anyway.
When others say "be realistic," I will make my goals bigger and crush them with ease.

When others say I'm not good enough, I will prove them dead wrong and reap the rewards.

I owe it to myself and the world to create the most valuable content possible.

My name is _____ and I am a creator.
