## Pastoral Thoughts

Greetings Brothers and Sisters,

I hope all of you are well and safe as we continue to deal with this virus and the unique challenges it brings each day. We are in constant contact with the diocese through emails and video meetings each week to gather the most up to date information on how to best serve you the parishioners and keep you safe.

We are still staying pro-active in our cleaning of the church after each event, and I really want to give a big thank you to those who have stepped up and volunteered to help sanitize the sanctuary each weekend – it is truly a ministry of mercy, and if anyone else would like to help it only takes about 10 minutes, so just contact the office for more information .

In the coming weeks we will be able to utilize the parish hall for groups who take the proper safety measures. But, one event you may consider, is joining us for our Rosary on Saturday September 5 at 9 AM on the plaza at the fountain. It is a wonderful event and way for people of faith to come together safely to pray for Racial Equality.

Also, if you know of anyone interested in becoming Catholic or exploring the possibility, please have them contact the parish for more information because a class will begin this fall.

We have been hearing stories of how people have found unique ways to remain sane during this time of extended isolation. So, if you are comfortable with it – we would encourage you to send us photos and a short narrative of how your family has coped with the new normal. It could be how you entertain yourselves these days, if you have not returned to mass yet – how you are feeding yourself spiritually or any other things. We would like to share these ideals in our bulletin and Facebook page, in an effort to keep us all in touch until we can gather socially again.

As, always you all in our prayers each day as we pray for your health and safety and that of your family.

Have a Blessed day!

Dcn Tyrone

## Into the Light Project

Habitat for Humanity of Kansas City and Lykins Neighborhood Association have been part of an effort to clean up the Lykins neighborhood by redesigning the park and adding a lot of new housing to the neighborhood, which has been a site for human trafficking for some time. The art project will be the first ever memorial to victims and survivors of human trafficking and will be the center piece of a transformation of the park. In addition, Habitat KC will be collaborating with other non-profits and developers to create 75 new homes in the neighborhood. The city has committed to a number of infrastructure and park improvements which will change the neighborhood dramatically. More information of the groundbreaking coming.

We do need a bit of help. Private fundraising has provided almost all the cost for the art installation. We are in need of just about \$1000 to complete the project which is under construction. If anyone from Our Lady of Sorrows can help with a piece of this there are some other churches who have offered to help too. Contact Jude Huntz at [jhuntz@habitatkc.org](mailto:jhuntz@habitatkc.org)
