for Students Applying for Admission for Academic Year 2019-2020

Tuition Assistance Opportunities

Tuition Assistance is available to students entering Second-Year Kindergarten (K2) – Grade 12. All families interested in applying for this need based program are encouraged to do so. **Admission decisions are not influenced by financial need.** Park School does not offer non-need based merit awards, however, we are fortunate to be able to recognize the gifts and talents of some students who may meet both the eligibility requirements of our need-based tuition assistance program as well as certain designated “Scholar” awards (grades 7-12). Please contact the Tuition Assistance Office or visit www.parkschool.net/tuition-assistance for more information about “Scholar” opportunities available for the 2019-2020 enrollment year.

Our family plans to apply for Tuition Assistance and/or a designated need-based “Scholar”

Award: yes no

Note: All tuition discounts offered at Park are based on a financial needs assessment. Families enrolling at Park without the use of tuition assistance funding are expected to contribute at full tuition amounts in subsequent years. In the case of a change in family circumstances, including enrolling additional children at Park, or any other school requiring tuition, families may apply for tuition assistance consideration.

Application Fee

A fee of \$50 must accompany each new application. A \$25 late fee is added to applications received after the published deadline. If this is a reapplication, the fee is \$30. Make checks payable to The Park School, or pay online via credit card or ACH debit using your application portal.

Parental Agreement and Permission

- The information in this application is accurate and complete.
- I authorize The Park School to obtain transcripts, confidential records, recommendations, and other relevant material about the applicant’s academic, social, and emotional development from the school he/she/they are currently attending. All materials collected throughout the admission process, and all subsequent materials received from the sending school, will be used by The Park School for the purpose of evaluating the application for admission and placement. In addition, a Park School Admission Committee member may observe my child in his/her current setting. On behalf of my child, I/we waive any right that we have to inspect, review, or copy these documents.
