

Board Meeting 12/4/2017

Valerie, Jim, Mark, Chuck & Naomi

18:30 Opening prayer

Chuck gave Principal Report

Teacher Workshop went well, discussion about needing to improve our visibility and to advertise 2 weeks before an event as well as the importance of the cleanliness of the classrooms and building. We will check with the DOT about a sign for Route 1.

Financial Report read and accepted.

Special Chapel on 12/1 went very well, everyone enjoyed it! Chuck would like to see more “entire school chapels” possibly 5-6 times a year.

Sports update: Both basketball and volleyball have very small teams this year.

Due to missing a week of school during the power outage, Chuck is considering using MLK Jr and the Spring Teacher Workshop Day to ensure we meet the state’s requirements for teaching days.

Financial Report was read and accepted.
