Dear Sixth, Seventh, and Eighth Grade Parents and Students,

Well, school will be starting before we know it!! We praise the Lord for how He blessed CCS during the last school year, and we look forward to what He is going to do in the next year. Let's make sure that we put Jesus first in everything. Colossians 1:18 says, "...that in all things he (Jesus) might have the pre-eminence." That is a good verse to start our year, but only if we know what "pre-eminence" means. So—(your first assignment!)—look up the word before school starts, and we will discuss it on the first day.

To be properly equipped, be sure to have the following items—your tools—ON THE FIRST DAY OF SCHOOL:

1. BIBLE—King James Version—in good repair\*\*
2. ONE BINDER\*\*—with 8 separate subject dividers  
NO SPIRAL NOTEBOOKS !!!
