Monthly 24 Hour Prayer Vigil

Wednesday, February 20

The **G 3 committee** is currently seeking members who are mission minded and could meet once a month for an hour following church. Please prayerfully consider if you might serve our Lord by joining us. Questions? Contact: Ronnie Frazier, Linda Robbins, or Barry Libby

Library News…..

Our Librarian has been hard at work again! The Fiction section has been divided into categories: Contemporary, Amish, Suspense, Legal, Holiday, Mystery, Young Adult (grade 10 & above), Historical, and General — just to name a few. She will continue to work on it over the next few weeks. It looks different, but everything is labeled. Her plans are to work on the children's book area also. For anyone interested in adoption or working with traumatized children, there are some Trust Based Relational Intervention videos in the library. They can be signed out via a 2 part sign out process which is explained on each of the DVD's.

The **Cancer Support Group** is an informal group joined together to reach out to cancer patients, survivors, their families and friends. Their goal is to be an encouragement through monthly cards and prayers.

The group consists of people who have had or have been impacted by cancer in a friend's, relative's battle or who want to be an encourager. The group meets on the first Sunday of the month at 8 am at the church to review the list of card recipients. The list is divided between the members who then write to that person and pray for them. Each month the group member has a different person.

We welcome any who wish to join the group. We are asking for anyone who knows someone with cancer that would be encouraged by a monthly card to contact the group leader with the contact information. If anyone has questions about the group, please also contact the group leader.

The CSG Group Leader is Jean Vose who may be called at 563-7564 or by email at godslove@tidewater.net. The group asks for prayers for their activity and for the people who are receiving cards.

DECORATIONS……Cheryl Johnson has done a WONDERFUL job decorating God's house and we thank her for that. However, she is looking to be done and would like to hand over that job to somebody who would love to use their God given talents in this ministry. If you are interested or would like more information about what the job entails, please give her a call at 542-5860.
