Library News....

Our Librarian has been hard at work again! The Fiction section has been divided into categories: Contemporary, Amish, Suspense, Legal, Holiday, Mystery, Young Adult (grade 10 & above), Historical, and General — just to name a few. She will continue to work on it over the next few weeks. It looks different, but everything is labeled. Her plans are to work on the children's book area also.

For anyone interested in adoption or working with traumatized children, there are some Trust Based Relational Intervention videos in the library. They can be signed out via a 2 part sign out process which is explained on each of the DVD's.
