Bible Quiz

King David wanted to build a glorious temple for worshiping God and for housing the ark of the covenant. God, however, did not permit him to build it. Instead, God chose Solomon, David's son, to head up the building program. Why wasn't David allowed the honor of building the temple?

A. David was getting too old to supervise such an undertaking.
B. David had been a warrior and had shed blood.
C. David had stopped taking God seriously.
D. David's attention was required elsewhere.
