Charging Forward in Stewardship

Rhinoceroses are remarkable creatures. Strong, sturdy and surprisingly fast, a rhino is built to protect. When it senses danger, especially near its herd or its young, it does not hesitate. It moves with focus, strength and purpose.

There may be a stewardship lesson for us in that.

God has entrusted each of us with gifts, time and resources to use for his kingdom. When opportunities come to serve, give, encourage or help, faithful stewards do not stand still and wait for someone else to go first. They respond with willing hearts and steady faith.

Stewardship is not passive. It calls us to move with purpose, give with conviction and serve with the strength God provides. May we be quick to answer God's call, bold in putting our faith into action and faithful in caring for the people and work God has placed before us.
