

## FEEDBACK FROM PARTICIPANTS AT LUGBE TOWN HALL AWARENESS – December 2019

**Nyiamen Enoch (Youth Leader):** The youths in the community have been facing varied unjust harassment from the police and this program has enlightened them to know their rights and how to defend their rights as a citizen.

**Mal. Salihu J. Gode (District Head of Lugbe):** He was happy about the awareness and was glad that the members of his community are now well informed on their rights; enlightened as enshrined in the ACJA, and the VAAP Act.

Most of the women that participated in the awareness admitted that they have been well informed about their rights, the VAAP ACT and SGBV.

One of the women in the community thanked the organization for bringing such information to their community as she is now aware that she should speak out and report whenever she sees her neighbors or children been abused.
