Corporation for Public Broadcasting Diversity Statement Requirements

The Communications Act requires CPB to support diverse non-commercial educational content for unserved and underserved audiences. CPB’s goal, therefore, is to support stations in providing a wide variety of educational, informational, and cultural content that addresses the following elements of diversity: gender, age, race, ethnicity, culture, religion, national origin, and economic status. It is appropriate that Grantees engage in practices designed to reflect such diversity of the populations they serve. In support of these objectives, Grantees must comply with the following.

B. Diversity Statement: Undertake the following to achieve Grantee’s diversity goal:

      a. the diversity goal and any revisions thereto; and
      b. practices designed to fulfill the station’s commitment to diversity and to meet the applicable FCC guidelines (47 C.F.R. § 73.2080).
   2. Maintain on its website or make available at its central office, a diversity statement (approximately 500 words) that reflects on the following points, reviewing and updating the same annually with station management:
      a. the elements of diversity that Grantee finds important to its public media work;
      b. the extent to which Grantee’s staff and governance reflect such diversity;
      c. the progress Grantee has made to increase its diversity in the last two to three years; and
      d. Grantee’s diversity plans for the coming year.

C. Annual Initiative: Undertake one of the following initiatives on an annual basis:
   1. include individuals representing the diverse groups served by Grantee for internships or work-study programs, which must be designed to provide meaningful professional-level experience and further public broadcasting’s commitment to education;
   2. include qualified diverse candidates in any slate of individuals considered for positions on elected governing boards that Grantee controls
   3. provide diversity training for members of Licensee’s governing body or board of directors;
   4. participate in minority or other diversity job fairs; or
   5. provide diversity training for management and appropriate staff.
