Local Content and Service Report to the Community
KPTS promises to engage the community by creating local, relevant content on multiple content platforms. We open a dialogue with the community to ensure we are serving their needs.

KPTS is a valuable asset to Kansas. As the only locally owned public media station in this area, KPTS strives to prepare children to be ready to learn. KPTS focuses on key community issues and engages community members in dialogue and action to create a public conversation to ultimately initiate positive change.

“KPTS has been such a blessing to our family. KPTS kids shows have contributed to my children’s vocabulary and a richer understanding of their world.”

KPTS provided these vital local services:

- KPTS broadcasts on three channels: 8.1 (Primary channel), 8.2 (Explore), and 8.3 (Create).
- KPTS.org provides the community with stories, programming and other relevant details about what’s happening with the station on air and in our community.
- KPTS is active on social media platforms in order to reach a diverse audience who want to engage with us.

Under the direction of new President & CEO Victor Hogstrom, KPTS expanded production of local shows. By the end of 2017, KPTS was producing and airing six local shows and producing local documentaries like Christmastime in Wichita.

KPTS serves over two thirds of the state of Kansas with over the air and third party providers. We have more than 200 hours of local and national content.

KPTS continued on initiative called ‘Veterans Coming Home’ that provides Stories of Service, resources and information to assist Veterans and inform the community.

KPTS now produces 6 local shows, something not matched by any other station in Wichita.

*KPTS 8* GREAT STARTS HERE

**KPTS Kids Club** members enjoy various events throughout the year. Events designed not only for fun, but to educate. Things started off with a visit to the *Wichita Ice Center*. While there the members got to go behind the scenes to see how things worked. Then they hit the ice. Everyone had a good time. They learned about curious creatures during a visit at *The Bug Lady’s Science Academy*. *KPTS Kids Club* members love sports and they got the opportunity to go to *Stryker Soccer Complex* and watch a professional soccer game. During halftime they got to show off their soccer skills on the field. The annual *KPTS Kids Club Big Bash* was held at the *Cowtown Museum*. The members got to tour the grounds and they learned how children played in the late 1800s. Afterwards it was pizza for everyone. It was a great way to end the 2017 season of *KPTS Kids Club*.
