[01:00:10:04] GFX: *In 2016, 19 million Americans will be eligible to vote for the first time.*

[01:00:15:20] JOSE: I've been waiting a long time for this to happen.

[01:00:20:09] OLIVIA: I know I was thinking the exact same thing.

[01:00:24:15] JOSE: Hey, we should get out of here...

[01:00:27:03] OLIVIA: Well, that's forward.

[01:00:28:15] JOSE: No, I meant to get to the polls.

[01:00:31:15] OLIVIA: "Get to the polls." I think I get you. Yeah let's go vote our brains out.

[01:00:39:13] JOSE: Hey, hey boss! Gonna go vote. I know, I know, back in thirty. My boss, not very civic-minded. Come on, let's go.

[01:00:47:03] OLIVIA: Wait, you're serious about voting? What's the point?

[01:00:52:00] JOSE: Uh, education? Healthcare? Immigration? And my personal favorite, minimum wage - for now. Are you gonna come?

[01:01:02:11] OLIVIA: Evidently not.

[01:01:14:00] AGENT: Hey buddy, did you say you're gonna go vote?

[01:01:16:00] JOSE: Yeah man.

[01:01:17:05] AGENT: I've been to the polling station and there's people all around the block. So don't even go there.

[01:01:22:00] JOSE: I waited six years to become a citizen, I can't wait to vote.

[01:01:24:00]: AGENT: Really? Did you get that hot girl's number in there? Listen buddy, there's 160 million girls in America, and only one of them likes you, and I think she's ready to have her ballot punched right now. So get back in there. No don't do that. Are you kidding me? YOU'RE RUINING YOUR LIFE!

[01:01:47:19] AGENT: Hey buddy, haven't you ever posted on social media and "liked" stuff online? Well that's voting! Just do that more often.

[01:01:54:19] JOSE: What are you talking about? That's like saying that chatting with a stranger on the internet is the same thing is having a real girlfriend.

[01:02:00:07] AGENT: Says the man who just left a beautiful woman to stand in line with a bunch of losers.

[01:02:05:20] JOSE: Alright, outta my way man.

[01:02:10:22] AGENT: BUDDY!

[01:02:11:17] JOSE: Not you again...

[01:02:12:20] AGENT: Okay, my opinion: all politicians are the same. Why even vote?

[01:02:16:19] JOSE: Come on man, the two parties have major differences on the roles of government in people's lives. Environment, Policing, Foreign Policy.

[01:02:23:19] AGENT: Where'd you hear that? Media? You know what your problem is? You're addicted to facts. Facts have nothing to do with politics. My suggestion: go get in the line for Jeopardy, cause this line ain't for you brother. Right?

[01:02:40:01] WOMAN: Right.

[01:02:44:06] JOSE: What??

[01:02:45:22] OLIVIA: Um, hi. I thought about what you said earlier and I...I really...

[01:02:55:00] AGENT: Wait, wait, wait, wait, wait. Now this is your first time, right? And don't you think you should wait for the perfect candidate?

[01:03:03:01] OLIVIA: Nothing in life is perfect.

[01:03:05:04] AGENT: Well I'm not saying it's gonna be perfect, I'm just saying this is an important decision, right?

[01:03:12:21] OLIVIA: Is than an "I voted" sticker!?

[01:03:16:00] AGENT: Yes, yes this is an "I voted" sticker. Which I got for you because then you don't have to vote.

[01:03:25:10] JOSE: I should have known: the people who shout the loudest about something being bad are always the ones doing it in secret!

[01:03:31:09] AGENT: Well you know what, the truth is, one vote doesn't make a difference.

[01:03:35:07] JOSE: Oh yeah but if I get my friends, and they get their friends, power in numbers baby.

[01:03:40:05] AGENT: Well that's assuming you've actually got friends.

[01:03:43:01] OLIVIA: Okay, come on, we're up.

[01:03:45:00] AGENT: "We're up" yeah...Everybody knows, Millennials don't vote.

[01:03:49:00] JOSE: Listen dude. Millennials are one third of all eligible voters. 83 million of us. If we all vote, we decide on our future, man.

[01:03:57:05] AGENT: That's a big if...

[01:03:57:22] JOSE: Yeah.

[01:03:58:06] AGENT: Yeah. So there's 83 million of ya, living in the same mother's basement?

[01:04:07:18] JOSE: Was it good for you?

[01:04:08:21] OLIVIA...Yeah so quick.

[01:04:12:03] GFX: *Nationwide, voters wait an average of 13 minutes to vote.*

[01:04:17:06] GFX: *From 2012 to 2015, at least 10 elections have been decided by less than 100 votes.*

[01:04:24:00]: GFX - *Your vote matters*
