

Lesson Title: When States Become Laboratories of Democracy
Handout #2: Square, Triangle, and Circle Graphic Organizer

Directions: After you watch the *We The Voters* film “Altered States,” respond to the follow questions:

1. In the square below, list four statements, concepts or ideas that you “square” with (or are in agreement with) your thinking about states passing laws that meet the needs of their citizens.

2. In the triangle below, list three statements, concepts, or ideas that you disagree with.

3. In the circle below, write a question about any of the statements, concepts or ideas presented in the video that is still “circling” your mind.
