[01:00:10:00] JESSICA: There are two sides to every issue - the rights side, and the liberal one.

[01:00:16:00] LARA: The only people in their right minds - are the ones like me, on the political left.

[01:00:23:00] VANESSA: People call me a party girl, that's because I have friends in both parties!!

[01:00:33:00] JESSICA: Are you excited about the big day?

[01:00:35:06] LARA: I'm so excited...what are you going to wear?

[01:00:37:00] JESSICA: Red, white and gold.

[01:00:40:07] VANESSA: That's hot.

[01:00:41:03] LARA: What are you going to wear?

[01:00:42:08] VANESSA: A bikini!

[01:00:45:02] LARA: A bikini?

[01:00:46:03] VANESSA: A bikini. Oh! Rick and U will be in St. Barths.

[01:00:51:20] LARA: This is a critical midterm election and she's at the beach?!!

[01:00:57:03] VANESSA: You guys, no. We already voted absentee.

[01:01:01:11] JESSICA: Oh lord, why didn't you say so?

[01:01:04:04] VANESSA: So dramatic!

[01:01:06:00] LARA: You're sure taking a lot of Caribbean vacations lady.

[01:01:08:09] VANESSA: Credit cards. Some things in life are worth getting into debt for if you know what I mean.

[01:01:13:07] JESSICA: Yeah, and unlike our friends in Washington, I know you and rick balance your budget every year.

[01:01:30:10]: VANESSA: Why is this getting weird?

[01:01:32:19] JESSICA: Lara thinks she's sooo open-minded. I mean, she is. If you agree with her.

[01:01:38:15] VANESSA: Can we for once have a brunch that no one screams at each other and bangs the table?

[01:01:44:13] JESSICA: Yesss, and also no more magical thinking about how the government actually works.

[01:01:52:00] LARA: After the last recession, instead of stimulating their economies, by spending more some European countries decided to cut back so they could balance their budget and they suffered.

[01:02:04:04] JESSICA: Lara?

[01:02:04:16]: LARA: And this is not me being bitchy. This is CSPAN hunny.

[01:02:06:20] JESSICA: Do you know who has to pay off all of our government debt? Or. Chil. Dren. Or do you not give a damn about our kids?!

[01:02:19:04] LARA: Is it so hard to believe that borrowing a little money to invest in roads and bridges can actually stimulate our economy by adding jobs.

[01:02:19:13] JESSICA: Well economists seem to agree that it's a really good idea to pay your bills.

[01:02:34:04] LARA: Yeah? Well, i just read an article that says that's not always true.

[01:02:36:16] JESSICA: I just read an article that says it s.

[01:02:38:20]: LARA: No, no

[01:02:39:10] JESSICA: Yeah it is.

[01:02:41:00] LARA: You know Vanessa told me you think we should raise defense spending.

[01:02:46:03] JESSICA: Vanessa?!?!?!? Vanessa? Real nice.

[01:02:50:10] LARA: You're sooo opposed to running up the deficit, unless it's for the military, hey, what's a few billion more for your tanks and your precious drones, hud?!?

[01:03:07:22] VANESSA: Oh. My. God.

[01:03:11:10] JESSICA: America needs to defend itself! Okay? Not run up more debt in meddling social programs! Okay?

[01:03:27:06] VANESSA: You know, if you guys would actually stop and listen to each other, you might actually learn something! Laram, what did JESSICA say?

[01:03:34:23] LARA: She said she likes potholes and she wants all the bridges to fall down.

[01:03:39:19] VANESSA: Jessica, what did Lara say?

[01:03:41:23] JESSICA: She said she wants to put babies in the poor house!

[01:03:47:04] VANESSA: This is pathetic. Lara, what can Jessica teach you?

[01:03:57:04] LARA: Okay. That a long long term plan to pay off our debt is good for our kids.

[1:04:03:20] JESSICA: Okay.

[01:04:04:20] VANESSA: Excellent. Jess?

[01:04:07:00] JESSICA: Ahhhhhhhh...not investing in important stuff right now may actually hurt our economy?

[01:04:12:15] LARA: We need to find a common ground on government spending.

[01:04:18:01] JESSICA: And if we can't cut spending we may have to raise taxes to you know, balance the budget.

[01:04:24:00] VANESSA: I have chills.

[1:04:26:19] JESSICA: I know I didn't do anything wrong. But I guess I can still say, 'I'm sorry.'

[01:04:33:04] VANESSA: Hugs? Hugs?

[01:04:43:12] ALL: Hugs. Hugs.

[01:04:36:21] LARA: And I never said I didn't love babies!
