

# TRAILER TIRE CARRIERS

BUILT TO LAST, EASY TO INSTALL!

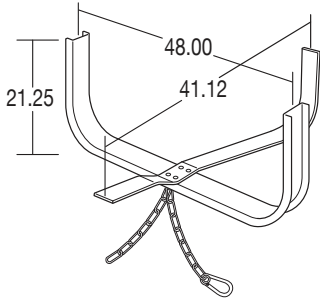

## Mount Your Spare Tire UP and OUT of the Way

Our sturdy and solid trailer tire carriers install easily with no drilling of the frame. Finished with the latest in coating technology, our carriers have superior corrosion protection.

- / **Superior Rust Resistance** – Coated with *InterCoat® ChemGuard*, a corrosion-inhibiting coating that creates a self-healing permanent bond with the galvanized substrate
- / **Secure** – Curved profile design neatly nests spare tire and includes chain to keeps it in place
- / **Heavy Duty** - 12 Gauge Formed Steel Construction
- / **Easily Mounted** - Bolt-On or Weld-On Mounting Kits require no drilling
- / Made In the USA!
