A Prince is exiled from his kingdom for a crime he didn't commit... an kingdom is brought to its knees, a King makes a bargain with a man who does not tell the truth about who he is and a magical army threatens the entire known lands.

Go on the journey with the Black Wolf and his army as they travel to the North, through the Midlands, and to the East all to save all the known kingdoms from the threat of the Dragons Army. An army which is led by a dangerous army man, his sorcerer who is centuries old, and a scholar who has the ability to control once extinct dragons.

It is an epic adventure and war over who will control everything...
