L'autora, que ha manifestat sovint que no creu en una "literatura femenina"; i que "hi ha, simplement, bona i mala literatura", es llançava ara a explorar el món de les dones, tan divers i tan ampli, "perquè no és cap tema tabú; per a mi, tot el contrari. No n'hi ha, de temes tabú, en literatura, ni per a homes ni per a dones". Amb una feliç recerca del llenguatge oral, l'habilitat literària que els lectors li coneixen prou i la subtileza que la caracteritza, Isabel-Clara Simó ens presenta una deliciosa, incisiva i lacerant mirada sobre disset tipus de dona, totes diferents, perquè "cada dona és un individu, i cap no és espècie". □
