Reactive, fearful, even aggressive dogs need low stress environments to help them overcome their problems. Using innovative techniques--who else uses the family car as part of an almost outdoor classroom--Ali Brown details her successful methods for professional dog trainers ready to take on the challenge of rehabilitating reactive dogs. Get a glimpse inside the real lives of dogs who might otherwise &#x201c;fail&#x201d; tradition dog training classes. This should be fascinating reading for all dog trainers.
